LCV AN UNBEATABLE LINEUP

NISSAN

OFFICIAL LIGHT COMMERCIAL VEHICLE
OF THE UEFA CHAMPIONS LEAGUE

At Nissan, we're constantly innovating for your business - coming up with clever new ways to deliver class-leading space and enhanced efficiency, improved versatility and durability, increased cost savings and ease of use. We engineer excitement and innovation round the clock to make your daily routine smoother, your work more fun and keep you ahead of the game. Because nothing beats the feeling of a job done smarter.

PICK YOUR PLAYER

THE NISSAN NV400 IS THE IDEAL WORKMATE. Strong, capable, resourceful and reliable, the NV400 is built to suit your business needs. Available in several different versions and offering numerous options to meet the needs of your trade, it promises a long and fruitful partnership at low running costs. Choose from a variety of body types, including Panel Van, Dropside, Tipper or Crew Van, and benefit from a large and practical load space, a comfortable and spacious cab, a highly efficient engine and lots of helpful technology. Sturdy and resilient with multiple capacities, the NV400 will drive you to success.

"My wife and I went into business in 2013 with an NV400 Combi. It's spacious, versatile and offers superb levels of comfort to our passengers - we're planning on having a fleet."

"A vehicle can make or break a construction business. We've got an NV400 Panel Van that can take 5 pallets and a Dropside with a 7-seater cab. They help us get the job done quicker and get home in a better mood too!"

"Tough, adaptable, easy to load and unload, and not too greedy - that's what I was looking for when I started searching for a new van and that's exactly what I got with my Nissan NV400. It's ideal."

"I've been with Oakley for 12 years now and using the NV400 for 3. With rear wheel drive and twin wheels, I can heave any load. It's packed with power and cool technology like the CO₂ saving stop-start system - a great performer."

FRONT OR REAR WHEEL DRIVE

ADAPT YOUR DRIVETRAIN TO YOUR TRADE. Choose FWD for easy loading, more load space and better fuel economy, or opt for RWD for more secure handling with full loads or when towing.

FRONT WHEEL DRIVE

- Low loading height
- Optimized cargo volume efficiency
- Best fuel consumption

REAR WHEEL DRIVE

- Even weight distribution front to back
- Medium & heavy duty applications (up to 4.5t Gross Vehicle Weight)
- Twin rear wheel version available

TWIN TURBO ENGINE

POWER & EFFICIENCY. The NV400's 2.3L dCi Twin Turbo delivers higher output and - with Start and Stop technology - reduced fuel consumption and lower CO₂ emissions.

LOW COSTS OF OWNERSHIP. Service intervals of up to 25,000 miles or every 2 years contribute to the NV400's low running costs.

CREATE THE PERFECT MATCH

UNBEATABLE POTENTIAL. The NV400 offers one of the widest ranges in the LCV market. A choice of wheelbase, length and height, payload, engines, Front or Rear Wheel Drive plus body conversions provides all the possibilities you need to create your perfect match.

A HAVEN FROM HARD WORK

COMFORTABLE AND SPACIOUS. The NV400's smart and practical interior gives you all you need to ease your way through the most demanding day. It's airy with excellent visibility, effectively insulated from noise, and has lots of well-organised, convenient storage. The intelligent ergonomic design gives each control a logical, easily reached location and intuitive operation.

[REQUEST A TEST DRIVE](#)

A PLACE FOR EVERYTHING

EASY TO MANAGE. A tidy cab is safer and easier to live with; nothing rolling around your feet, no wasted time hunting for items. That's why the NV400 has many clever storage spaces, such as the centre seatback table with rotating tray and pop-up notepad holder.

- 1. ASSISTANT DASHBOARD COMPARTMENT
- 2. LARGE REFRIGERATED GLOVE COMPARTMENT* WITH CAPACITY FOR TWO 2-LITRE BOTTLES
- 3. BOTTLES (UP TO 2 LITRES) ARE WITHIN EASY REACH IN THE DOOR POCKETS
- 4. DOUBLE OVERHEAD PARCEL SHELF
- 5. COINS, PHONE AND CREDIT CARD HOLDER
- 6. HANDY LOWER DOOR POCKET
- 7. ADDITIONAL LOWER STORAGE
- 8. CUP AND CAN HOLDER

*REQUIRES AIR CONDITIONING

THE NV400 CAN TAKE IT

MORE USABLE SPACE. Whichever size NV400 you choose, it's packaged to provide maximum load space. There are ten cargo volumes, from 8m³ to 17m³ for NV400 Panel Vans. Cargo volume can take up to 5 Euro Pallets, and there's up to 4.4m cargo length available, giving you room for bulky loads. The NV400 handles heavy loads too: up to 2,200kg. No matter how big or awkward your cargo, the NV400 makes it easier to get on board, thanks to a low floor and large, wide-opening doors.

From 2.6m
to 4.4m

READY FOR ANYTHING

BUILT BY NISSAN, SPECIFICALLY FOR YOU. Whatever your trade, there's an NV400 to suit: Dropside, Tipper and more, as well as a range of conversions that come fully assembled and ready to work direct from the Nissan factory, and all with a 5-year warranty too. Thanks to a low chassis and robust, adaptable platform, the NV400 is the ideal basis for a wide range of conversions - all you have to do is pick yours.

1.

ADJUSTABLE SUSPENSION SEAT (OPTIONAL)
2.

REMOVABLE SEATS FOR THE 2ND AND 3RD ROWS.
- TO HELP YOUR PASSENGERS RELAX, THERE ARE SEAT BACKS THAT RECLINE UP TO 20° AND INDIVIDUAL VENTILATION.

ROOMY AND REFINED

SPACE WITH STYLE. The NV400 Combi offers executive standards of comfort and space for up to nine persons. The interior is light and inviting, with more than 65cm of legroom, and reclining seats for the second and third rows. There's also the reassurance of comprehensive safety features, including ABS with EBD, ESP and airbags.

FRONT OR REAR WHEEL DRIVE

BEST FOR YOUR BUSINESS. The NV400 gives you the choice of Front or Rear Wheel Drivetrains, across a variety of body styles.

FRONT WHEEL DRIVE

The Front Wheel Drive NV400 has a low chassis height, making loading especially easy and liberating more space for improved efficiency. Low kerb weight contributes to better fuel economy too.

REAR WHEEL DRIVE

Rear Wheel Drive is the traditional choice for medium and heavy duty applications. It allows your payload to be evenly distributed front to back, ensuring more secure handling when fully loaded. Available with single or twin rear wheel configurations, the NV400 rear wheel drive is ideal for towing up to 3000Kg.

TWIN TURBO: HIGHER OUTPUT, LOWER CONSUMPTION

MORE POWERFUL, MORE EFFICIENT. THE NV400'S 2.3 LITRE DCI TWIN TURBO WITH START AND STOP ENGINE IS AVAILABLE IN 145HP AND 170HP POWER OUTPUTS FOR FWD AND 130HP, 145HP AND 165HP FOR RWD. ALL DELIVERING OUTSTANDING PERFORMANCE WITH GREAT FUEL ECONOMY (FROM 40.9 MPG ON 145HP FWD).

SINGLE TURBO ENGINE IN TWO OUTPUTS COMPLETES THE RANGE: 110HP AND 130HP. OPTIONAL STOP AND START IS AVAILABLE ON 110HP.

ALL ENGINES ARE EURO 6 COMPLIANT, FEATURING A SELECTIVE CATALYTIC REDUCTION (SCR) SYSTEM TO FURTHER REDUCE EMISSIONS.

LOW RUNNING COSTS. SERVICE INTERVALS OF UP TO 25,000 MILES OR EVERY TWO YEARS CONTRIBUTE TO THE NV400'S IMPRESSIVELY LOW TOTAL COST OF OWNERSHIP.

ALWAYS BE IN THE OPTIMUM GEAR. THE NV400 HAS A SIX-SPEED MANUAL GEARBOX WITH A DASHBOARD INDICATOR LIGHT SHOWING WHEN TO CHANGE GEAR FOR THE BEST FUEL ECONOMY.

1) 2.3 LITRE DCI TURBODIESEL
2) SIX-SPEED MANUAL GEARBOX
3-4) GEAR SHIFT INDICATOR

COMPREHENSIVE SAFETY FEATURES

ACTIVE AND PASSIVE. The NV400 has many active safety features built in to help you stay fully in control. Predictable handling and road holding have been designed in from the outset, and there's the additional support of ABS, EBD (Electronic Brake Distribution) and Brake Assist. The advanced Electronic Stability Programme includes Hill Start Assist, Trailer Swing Assist and Traction Control to ensure the driver is always in control. The Tyre Pressure Monitoring System is also standard on the NV400 Combi and Trabus versions.

In addition to the strong and rigid cab with steel bulkhead, you're protected by the effective passive safety features of a driver's airbag and optional passenger and side airbags.

Electronic Stability Programme (ESP) helps detect and automatically correct skids by sensitively braking individual wheels. A load detection system compensates for the weight of your cargo.

Anti-lock brakes help you retain steering control while emergency braking.

Driver and passenger airbags (Standard on Combi and Trabus, PAB optional on other body types)

OPTIONAL EXTRAS*

FRONT WHEEL DRIVE PANEL VAN

The Front Wheel Drive NV400 delivers what your business needs: greater efficiency. A lower kerb weight helps improve fuel economy, reducing your running costs, and the low frame height makes loading easier and means there's more space inside for a bigger payload. It's the van that gives you more, but demands less.

WEIGHTS AND LOADS (KG)

	Max. cargo volume (m³)	Max. payload (kg)

REAR WHEEL DRIVE PANEL VAN

The Rear Wheel Drive NV400 offers practical versatility, with the capacity and strength to handle all your medium duty carrying applications. Its Rear Wheel Drive layout creates optimum front-to-rear balance, for better payload distribution. It also ensures surefooted and stable driving characteristics when fully loaded, and makes it ideally suited for towing.

FRONT WHEEL DRIVE

FRONT WHEEL DRIVE CHASSIS SINGLE/DOUBLE CAB

The NV400 Chassis Cab offers the flexibility and adaptability to satisfy your exact specifications. Whichever drive train you choose, you benefit from a low chassis floor that provides more usable space for your conversion, within compact and manageable overall dimensions. And the rugged build quality ensures it has the strength to cope with the toughest jobs, all day, every day.

NISSAN LCV 5 YEAR MANUFACTURER WARRANTY

NISSAN now offers a standard 5 Year Pan-European Manufacturer Warranty on its whole LCV range*.

This is much more than just a warranty as it includes:

- 5 Year or 100,000 miles bumper-to-bumper protection
- 5 Year Paintwork Warranty – covering the body paint
- 5 Year NISSAN Genuine Parts & Accessories Warranty
- 5 Year Roadside Assistance
- 12 Year Corrosion Warranty on NV400
- Fully transferable

And with service intervals at 2 Years or 24,000 miles on the NV400, you'll not only have 5 years' peace of mind but also low running costs into the bargain.

AT NISSAN, YOU BRING OUT THE BEST IN US.

You spark our imagination. You provoke our ingenuity. You inspire us to change the rules and innovate. And at Nissan, innovation is not just about additions and extensions; it's about crossing the line to reinvent the status quo. It's about developing unexpected solutions to satisfy your wildest and most pragmatic desires. At Nissan, we design vehicles, accessories and services that break the mould - making the practical exciting and the exciting practical to offer you a more exhilarating driving experience everyday.

*The Basic Vehicle Warranty for e-NV200, according to 3.1 of the Warranty Booklet and Maintenance Record, is extended to 5 years (from the warranty start date) / 60,000 miles (whichever comes first). Only vehicles registered on or after 1st November 2016 are eligible for the Extended Warranty. Body parts and paint excluded during year four and year five. Terms and exclusions apply, for further information please see Extended Warranty Terms and Conditions. Apart from the aforementioned, all warranty conditions included in the Warranty Booklet and Maintenance Record remain unchanged. Issuer of this Extended Warranty is Nissan International Insurance Ltd.

CUSTOMER SERVICES

SPECIALISED LCV NETWORK

NISSAN provides a specialised network of LCV dealerships to support your specific commercial vehicle requirements:

- Pan-European coverage
- Dedicated LCV Sales & After Sales Staff
- Competitive financing solutions
- Tailor made conversions offer
- Competitive extended warranty offers to go even beyond NISSAN LCV 5 Year Warranty.
- Test drive your choice

AFTERSALES SERVICES

If your car breaks down, it's inconvenient. If your van breaks down, it's a serious blow to your business. Even time allowed for servicing is downtime, when your van isn't earning its keep. At Nissan, we understand these hard business facts. So we do the best to ensure that your van stays where it belongs – working for you, on the road.

NISSAN SERVICE CONTRACTS

Together, you and your Nissan dealer can establish a Nissan Service Contract which provides Service and Maintenance cover for the mileage and period that suits your business best. Giving you true peace of mind, this Contract will ensure that your NV400 is cared for by dedicated Nissan technicians.

5 YEAR ROADSIDE ASSISTANCE

- Pan-European coverage for breakdowns, accidents, non-warrantable incidents (such as flat tyres, lost keys, wrong fuel...)
 - 24/7, 365 day
 - Emergency Call Centre
 - Prompt roadside assistance
- If this is not possible and your vehicle is still immobilised after a few hours, we will make sure you are provided with a courtesy vehicle as soon as possible or if necessary, overnight accommodation and travel to your onward destination or back to your base. We will also recover your immobilised vehicle.

DPF FILTER

WHAT IS A DPF?

A **DIESEL PARTICULATE FILTER (DPF)** forms part of the vehicle's exhaust in order to limit the amount of soot particles contained within the exhaust gas passing into the atmosphere.

When the amount of soot in the filter reaches a specific level, this needs to be reduced in order to maintain the filter's function.

This reduction is called **'REGENERATION'** and is carried out by the vehicle's electronic control system which raises the exhaust gas temperatures during normal driving. If a vehicle requires frequent regeneration due to driving style, these high temperatures cause the engine oil to degrade more quickly.

However, from 2011 onwards Nissan vehicles were fitted with an **OIL CHANGE SUPERVISOR (OCS)** as well as a DPF to help monitor the condition of the oil and ensure the quality never falls below a minimum level.

WHAT IF I ONLY DRIVE SHORT JOURNEYS?

If the vehicle is only driven for short journeys, or at low speed, then it may not be possible for regeneration to occur. In this situation, the below warning lights will be illuminated on your dashboard.

Please refer to your Owner's Manual for further information.

After seeing these warning lights you need to drive, as soon as possible, above 40mph until the light goes out. This can take up to 30 minutes depending on the amount of soot collected in the filter.

WHAT IF I IGNORE THEM?

If you continue to drive at low speeds the exhaust gas temperatures cannot rise, so regeneration cannot occur. In this instance, a combination of the below warning lights will be illuminated on you dashboard.

In this case, and in order to protect the engine and DPF Filter, the vehicle will require **'SERVICE REGENERATION'** which can only be carried out by a workshop equipped with Nissan diagnostic equipment. You will need to go to your nearest Nissan dealer in case the oil and filter needs to be replaced.

As **'SERVICE REGENERATION'** is not a manufacturing fault, so the cost will **NOT** be covered under warranty.

Authorised and regulated by the Financial Conduct Authority. Financial Services Register number 555397. Europa Group Limited is authorised and regulated by the Financial Conduct Authority. Financial Services Register No. 309794. Registered as a limited company in England and Wales No. 3279177. Registered office: Europa House, Midland Way, Thornbury, Bristol BS35 2JX.

*Contact your local Nissan dealer or see the Nissan website for full Terms & Conditions

FURTHER INFORMATION

Price Protection Plan. Order a new Nissan for delivery no more than 4 weeks in advance and the price you are quoted is the price you pay. This is irrespective of any subsequent price rises between placing your order and delivery of your new vehicle. Nissan Motor (GB) is not liable for price adjustments caused by Government changes in the rate of VAT or by any other applicable legislation or regulation or Vehicle Excise Duty.

Five year/100,000 miles manufacturer's warranty (whichever comes first) - Nissan's comprehensive warranty provides cover for your new Nissan from defects in materials or workmanship. Your vehicle is covered in all European Countries where Authorised Nissan Dealers are located. If your vehicle becomes inoperative due to warrantable defects, a towing service, when necessary, to the Authorised Dealer is covered. If a warrantable defect abroad takes more than six hours to repair, the Touring Assistance Programme will pay for a hotel or rental car to a certain maximum. The paint warranty covers painted body parts (excluding the underbody) for three years regardless of mileage driven. For further details please contact your local Authorised Nissan Dealer.

Nissan e-NV200 offers a 5-year / 60,000 mile warranty (whichever comes first) on all EV dedicated components, including the lithium-ion battery, and a 3-year / 60,000 mile warranty on standard components. The Nissan e-NV200 lithium-ion battery state of health guarantee protects against battery capacity loss (less than 9 bars out of 12) as shown on e-NV200's capacity gauge for a period of 5 years / 60,000 miles. For e-NV200 flex customers, the battery state of health guarantee applies for the duration of the battery lease. Special build conversions may be subject to extended delivery.

The conversions in this price list are from Nissan Motor GB-appointed converters and have warranty terms in line with the Nissan Pan European Warranty. The converter is responsible for all aspects of the conversion.

Nissan European Roadside Assistance is provided for the period of your new vehicle manufacturer warranty. Visit www.nissan-aftersales.co.uk for full details including terms & conditions.

Nissan EV Pan-European Roadside Assistance is provided by AXA for 3 years or 60,000 miles, whichever comes first.

For e-NV200 Van Flex (battery lease) customers, the Nissan EV Pan-European Roadside Assistance will cover you for the duration of your battery lease agreement should your Nissan EV run out of battery charge. For any other repair work, the basic warranty clause still applies.

Benefits and Services are provided by AXA Assistance. AXA Assistance is authorised and regulated by the Financial Conduct Authority (FCA). FCA Register number 439069. AXA Assistance UK Limited (registration 2638890) 106 - 118 Station Road, Redhill Surrey RH1 1PR

Recyclability - we take our environmental responsibilities very seriously - innovation today comes with a deep respect for the environment. Our engines are now much more unobtrusive and their emissions have been considerably reduced. All our vehicles are designed with recycling in mind. All prices in this list are quoted in pounds sterling. Value Added Tax (VAT) has been calculated at 20%.

Pricing - All prices are subject to change, please see your nearest dealership for the most up to date prices. While all reasonable effort has been made to ensure the accuracy of the information provided, due to Nissan's policy of continuous product improvement, all particulars contained are subject to constant revision and Nissan reserves the right to change, alter or modify among other things, specifications, colours and prices of models without notice at any time. Accordingly you should consult your local Nissan Dealer for the exact introduction dates of all models and for the most up-to-date information.

Fleet Customers Special colours and out-of-line-up specifications are available, please check details with fleet managers (regional DFM, CSM or LCV sales managers); Fleet only versions regardless listed in Dealer Master Price List or not, are to be ordered by Dealer Support via regional DFM, CSM or LCV sales managers

VAT and VED VAT application is based on current HMRC guidelines, please check with HMRC for specific guidance for the vehicle you are purchasing. VED is determined by the DVLA, please check with the DVLA for specific guidance for the vehicle you are purchasing.
