## PICK YOUR PLAYER

THE NISSAN NT400 IS THE TOP TRUCK FOR ALL TYPES OF BUSINESSES. Whether you're a large corporate or an independent enterprise, the NT400 delivers. Combining maximum load space with compact overall dimensions, optimum efficiency with low ownership costs and unparalleled manoeuvrability both up hills and around corners whatever the weight of your load, it's the one-stop solution for traders of all shapes and sizes. Step into the comfort of your new workplace now!

"For heavy usage, nothing beats the Nissan NT400 and the latest version with its improved payload and reduced fuel consumption (-22%) has made a real difference to our business."

"As well as our 3 garden centres, we do landscaping and maintenance. That's why we opted for the NT400 with a double 6-seater cab – it can take the weight as well as the whole team, all in total comfort."

"We deliver all over Europe – between 1 and 2,5 tons at a time. Our drivers often find themselves in small streets and hilly towns and the NT400 makes no trouble of it at all. Best truck on the market."

"I joined my father's recycling and restoration business last year and convinced him to invest in two new NT400's: a flatbed and a tipper. The whole process was so easy and the trucks were ready in no time. We haven't looked back since."

## KEY PERFORMANCE INDICATORS

### GENEROUS INSIDE, COMPACT OUTSIDE

**ENJOY THE COMFORT.** Despite its compact external dimensions, the cab offers you plenty of legroom, headroom and width – and the seats are especially made to offer premium comfort.

- PREMIUM COMFORT SEATS
- 14 STORAGE SPACES

**COMPACT**  
LEADING LOAD/LENGTH RATIO  
**BOLD DESIGN**

TURNING CIRCLE  
FROM 9.6 M

### ANTI-FATIGUE FOR PROS

**REDUCE STRESS AND IMPROVE PERFORMANCE** thanks to NT400's exceptionally small turning circle and helpful technologies like Hill Start Assist: It takes the effort out of truck driving.

**HILL START ASSIST**  
PREVENTS ROLLING BACK ON AN INCLINE.

### POWER IN ASCENDANCE

Rise to the top whatever you're hauling: NT400 Euro 6 engines are tailor-built for LCV use and give you ample power to climb hills while minimizing fuel consumption daily.

- THE ZD 3.0 LITRE develops 130HP/300Nm for 3.4T and 3.5T GVW models.
- THE ZD 3.0 LITRE develops 150HP/350Nm for 3.5T and 4.5T GVW models.

**THE NT400 CHASSIS IS AVAILABLE** with 2.5m, 2.9m and 3.4m wheelbases and 2.8T, 3.2T, 3.5T and 4.5T GVW. The 3.5T and 4.5T GVW versions are equipped with double rear wheels. The 2.9m and 3.4m, 3.5T and 4.5T GVW versions are available with double cabs too.

3.4-4.5T GVW	Up to 2,680 kg payload	Single & twin rear wheels	Single & double cab	Three wheelbases
-----------------	------------------------------	---------------------------------	---------------------------	---------------------

**FOR YOUR BUSINESS, THE  
SOLUTION IS THE NT400.**

NT400's **QUALITIES** make it the favourite truck for all types of businesses, from sole traders to large companies. Equipped for maximum efficiency, it delivers valuable business benefits, including low cost of ownership, maximum load space with compact overall dimensions, and exceptional manoeuvrability.

NT400's varied range means there is a version to suit you, whatever your haulage needs. There are three wheelbases (2.5m, 2.9m and 3.4m) and two power outputs from its EURO6 engines. With engines combining high performance and low fuel consumption, a choice of single or double cabs and a chassis with a wealth of conversion possibilities, choosing NT400 is one of the smartest business decisions you can make. With a payload of 3.5t versions is up to 1786kg, one of the best results in the class.

**COMPACT**  
LEADING LOAD/LENGTH RATIO  
**BOLD DESIGN**

## STREAMLINE YOUR PROCESSES

**SMART, MODERN AND SPACE-EFFICIENT,** NT400's advanced design offers a generous cab and extensive load space on a surprisingly short wheel base.

NT400's compact body and incredibly spacious interior all mean business: a genuine utility truck designed for work on the road.

Spacious  
inside

Compact  
outside

## A WELCOMING PLACE TO WORK

NT400 is a seriously comfortable place to work. Despite its compact external dimensions, the cab offers you plenty of legroom, headroom and width – and the seats are especially made to offer premium comfort. Extra-large, the screen area provides exceptional visibility. The overall effect is a more relaxing environment where you'll always feel comfortably in control.

[REQUEST A TEST DRIVE](#)

14 storages  
spaces

## ADD VISION TO YOUR DRIVE

**TECHNOLOGICAL INNOVATION** makes working on the road easier. NT400's ultra-clear combimeter displays comprehensive information and includes a multifunctional computer for data on oil levels and oil quality, fuel consumption and mileage up to next refill. Keep your network informed while you're on the road using NT400's integrated audio entertainment system with Bluetooth and USB connectivity. Manage all your paperwork thanks to lots of intelligent storage space: sound ergonomics for efficient business.

A DIESEL PARTICULATE FILTER IS NOW AVAILABLE AS STANDARD EQUIPMENT FOR ALL THE EURO6 ENGINES. BY REDUCING THE NUMBER OF PARTICLES RELEASED, IT MAKES YOUR DELIVERY A WHOLE LOT GREENER. THERE ARE TWO REGENERATION MODES: AUTO REGENERATION AND MANUAL REGENERATION (VIA A SWITCH ON THE DASHBOARD).

Up to  
150 PS  
350NM

## THE KIND OF POWER YOU NEED

**ALL THREE ENGINES** give you ample power to climb hills, even when loaded with its 6-speed transmission. As an alternative to the standard rear axle, you can opt for a short ratio final drive - highly suitable for heavy-goods missions. You can also specify a Limited Slip Differential, which maintains drive even if one of the rear wheels is on a low grip surface, such as ice or mud.

**WITH ITS EURO6** 3.0 litre engines, NT400 has pushed the limits in terms of power torque and economy. Choose from two outputs: 130PS/300Nm, 150PS/350Nm. Particularly quiet and fuel efficient, these advanced engines are tailor-built for LCV use.

**ECO MODE IMPROVES COST OF OWNERSHIP.** By limiting torque in each gear as well as restricting the top speed of the NT400 to 62 MPH you are able to increase efficiency and save on fuel consumption (up to 6%). This function can be deactivated at the flick of a switch for when you need that extra boost.

## A MORE RELAXING DRIVE

**ANTI-FATIGUE:** reduce stress and improve your performance NT400 makes for a smooth ride.

**NT400 IS EQUIPPED** to take the effort out of driving. Its compact dimensions and small turning circle (from 9.6m kerb to kerb, depending on the wheelbase), make it easy to drive and park in confined locations, while independent front suspension and powered rack and pinion steering brings secure handling and a reassuring feel at all speeds.

# SAFETY THROUGH STRENGTH AND AGILITY

**LOOKING OUT FOR YOU AND YOUR CARGO.** NT400 comes with Nissan's latest safety features as standard: 7 technologies that work together to help keep you in control.

## VEHICLE DYNAMIC CONTROL.

If loss of steering control is detected in either slippery or dry conditions, VDC applies brake pressure individually to help you stay on track.

## HILL START ASSIST (HSA).

To prevent you rolling backwards on a slope, HSA maintains brake pressure for an extra 2 seconds (most of the line up) after release, giving you time to push the accelerator and take off safely.

## LANE DEPARTURE WARNING SYSTEM.

Standard on 4.5T versions, LDWS uses a camera at the front of the vehicle to identify road markings and alerts you if you unintentionally drift out of the lane.

## TRACTION CONTROL SYSTEM.

To stop the wheels from spinning, TCS applies brake pressure individually and limits engine torque at the same time.

## ANTI-LOCK BRAKING SYSTEM.

During excessive braking, ABS prevents wheel lock up by reducing brake force on any wheel rotating slower than the others.

## ELECTRONIC BRAKEFORCE DISTRIBUTION.

EBD supports ABS by controlling front-to-rear brake bias to avoid over braking on the rear axle to maintain stability.

## BRAKE ASSIST SYSTEM.

BAS analyses the speed and force with which the brake pedal is pushed and ensures full brake pressure is applied in emergency situations before ABS takes over.

All of these active safety measures are supported by effective passive features. NT400's reinforced cabin structure is protected by a sturdy shock-absorbing front bumper, for car-like safety performance. Independent tests have shown that NT400's safety level is equal to that of a passenger car in frontal impacts. The driver and windowseat passenger benefit from the option of airbags and height-adjustable seatbelts. Both cabin doors are fitted with anti-intrusion bars, bringing maximum solidity to NT400's tough protective shell.

## WELCOME ABOARD DOUBLE CAB

**WHEN EXTRA HELP IS NEEDED**, the NT400 is ready with a double cab version, available on 3.5T and 4.5T GVW versions. With large doors and conveniently mounted steps for easy entry and exit, the double cab carries six people in comfort. To enjoy year-round comfort, you can select a separate rear heater with a two-speed fan. And if you need to carry your tools or other loads in the cab, the rear seat folds to provide extra space.

## ORGANISED AND EFFECTIVE

**A TIDY, ORGANISED CAB** is more welcoming and safer, so we've equipped NT400 with up to 14 separate storage spaces. These include an A4 document space ahead of the combimeter, a central cooled compartment that can take cans or small bottles, a separate glovebox, cooled or heated cup holders for the driver and passenger, roof storage and a spacious new tray-box tucked behind the central passenger seat which folds down for easy access and to become a useful side table.

### 3 WHEELSBASES

### SINGLE AND DOUBLE CAB

### SINGLE AND TWIN REAR WHEELS

## NT400 CHASSIS

AVAILABLE in 3.4T, 3.5T and 4.5T GVW variants, with 2.5m, 2.9m and 3.4m wheelbases, single or twin rear wheels and single or double cabs and left or right hand drive, NT400 offers a truly comprehensive choice to suit your application.

NT400 CHASSIS

THE NT400 CHASSIS IS AVAILABLE with 2.5m, 2.9m and 3.4m wheelbases and 3.4T, 3.5T, 4.5T and 4.5T GVW. The 3.5T and 4.5T GVW versions are equipped with double rear wheels. The 2.9m and 3.4m, 3.5T and 4.5T GVW versions feature double cabs. Reinforced, high rigidity rear suspension is standard on 4.5T GVW versions. A shock absorbing rear bumper is also available, depending on the body fitted to the chassis.

## FEATURES & OPTIONS\*

1. The **bluetooth® radio/CD system** with AUX and USB sockets, mp3 compatibility and handsfree telephone functionality keeps you in touch.
2. The **on-board computer** keeps you informed. The OCS (Oil Change Supervisor) checks oil quality and indicates mileage available before the next oil change. Other key indicators include average and instantaneous fuel economy, remaining fuel, accumulated time and distance, average speed, a maintenance warning, a shift up signal for optimum gear changes, a trip meter and a digital clock.
3. **Keyless entry** allows the cab doors to be locked/unlocked by remote control.
4. **Air conditioning (Optional extra)**
5. **Front power windows** with driver's one-touch control and anti-trap sensing device are standard on the NT400.

## ACCESSORIES\*

Our range of **genuine accessories** is the logical extension of the NT400's versatility. These accessories are specifically designed to complement the NT400, so you can be sure they'll provide long and dependable service.

1. **Flanged towbars**
2. **Mats, standard and rubber**
3. **First aid kit**

## WHY NT400 IS BETTER FOR BUSINESS

**NISSAN NT400's** are renowned for their high residual values. Businesses find them a more cost-effective, dependable proposition because, as well as having class-leading load capacity, their EURO6 engines are more efficient in terms of both fuel consumption and CO<sub>2</sub> emissions, making for longer range with fewer stops. There's also less downtime with NT400 thanks to long (up to 25,000 miles/12 months) service intervals – and servicing is made easier too thanks to a standard tilt cab that allows quick and easy access to the engine and gearbox. Last but not least, the NT400's special conversion features, including bodybuilder switches and connectors, make it simple and easy to install new or different conversions.

## NISSAN LCV 5 YEAR MANUFACTURER WARRANTY

NISSAN now offers a standard 5 Year Pan-European Manufacturer Warranty on the whole LCV range\*. This is much more than just a warranty as it includes:

- 5 Year or 100,000 miles bumper-to-bumper protection
- 5 Year Paintwork Warranty – covering the body paint
- 5 Year NISSAN Genuine Parts & Accessories Warranty
- 5 Year Roadside Assistance
- 6 Year Corrosion Warranty on NT400
- Fully transferable

And with service intervals at 1 Year or 25,000 miles for Diesel engines, you'll not only have 5 years' peace of mind but also low running costs into the bargain.

### AT NISSAN, YOU BRING OUT THE BEST IN US.

You spark our imagination. You provoke our ingenuity. You inspire us to change the rules and innovate. And at Nissan, innovation is not just about additions and extensions; it's about crossing the line to reinvent the status quo. It's about developing unexpected solutions to satisfy your wildest and most pragmatic desires. At Nissan, we design vehicles, accessories and services that break the mould - making the practical exciting and the exciting practical to offer you a more exhilarating driving experience everyday.

\*The Basic Vehicle Warranty for e-NV200, according to 3.1 of the Warranty Booklet and Maintenance Record, is extended to 5 years (from the warranty start date) / 60,000 miles (whichever comes first). Only vehicles registered on or after 1st November 2016 are eligible for the Extended Warranty. Body parts and paint excluded during year four and year five. Terms and exclusions apply, for further information please see Extended Warranty Terms and Conditions. Apart from the afore-mentioned, all warranty conditions included in the Warranty Booklet and Maintenance Record remain unchanged. Issuer of this Extended Warranty is Nissan International Insurance Ltd.

## CUSTOMER SERVICES

### SPECIALISED LCV NETWORK

NISSAN provides a specialised network of LCV dealerships to support your specific commercial vehicle requirements:

- Pan-European coverage
- Dedicated LCV Sales & After Sales staff
- Competitive financing solutions
- Tailor made conversions offer
- Competitive extended warranty offers to go even beyond NISSAN LCV 5 Year Warranty.
- Test drive your choice

### AFTERSALES SERVICES

If your car breaks down, it's inconvenient. If your van breaks down, it's a serious blow to your business. Even time allowed for servicing is downtime, when your van isn't earning its keep. At Nissan, we understand these hard business facts. So we do the best to ensure that your van stays where it belongs – working for you, on the road.

### NISSAN SERVICE CONTRACTS

Together, you and your Nissan dealer can establish a Nissan Service Contract which provides Service and Maintenance cover for the mileage and period that suits your business best. Giving you true peace of mind, this Contract will ensure that your NT400 is cared for by dedicated Nissan technicians.

### 5 YEAR ROADSIDE ASSISTANCE

- Pan-European coverage for breakdowns, accidents, non-warrantable incidents (such as flat tyres, lost keys, wrong fuel...)
- 24/7, 365 day
- Emergency Call Centre
- Prompt roadside assistance

If this is not possible and your vehicle is still immobilised after a few hours, we will make sure you are provided with a courtesy vehicle as soon as possible or if necessary, overnight accommodation and travel to your onward destination or back to your base. We will also recover your immobilised vehicle.

## NISSAN LCV 5 YEAR MANUFACTURER WARRANTY

NISSAN now offers a standard 5 Year Pan-European Manufacturer Warranty on its whole LCV range\*. This is much more than just a warranty as it includes:

- 5 Year or 100,000 miles bumper-to-bumper protection
- 5 Year Paintwork Warranty – covering the body paint
- 5 Year NISSAN Genuine Parts & Accessories Warranty
- 5 Year Roadside Assistance
- 12 Year Corrosion Warranty on NV300
- Fully transferable

And with service intervals at 2 years or 25,000 miles on the NV300, you'll not only have 5 years of peace of mind but also low running costs into the bargain.

# NISSAN VAN INSURANCE

Nissan Insurance has been designed to help Nissan drivers get the most from their cover, boasting the following benefits:

- All repairs which are guaranteed for 3 years
- Option to pay annually or through Direct Debit
- Optional Legal Expenses Cover

So, if you would like to obtain a Van Insurance quotation, or would like to know more about Nissan Van Insurance, please call **0344 335 3783** to speak to our team based in the UK.

Calls charged at the same rate as local 01 and 02 numbers and will be included in inclusive call packages from mobiles. Lines are open Monday to Friday 9am-7pm and Saturday 9am-5pm.

Terms and Conditions

Quotations are subject to underwriting terms and acceptance criteria.

Nissan Insurance is arranged by Europa Group Ltd trading as Nissan Insurance Services on behalf of Maiden Global Holdings Ltd (registered in England with company number 07324422) Registered office: Albion House, Valley Business Centre, Gordon Road, High Wycombe, HP13 6EQ. Authorised and regulated by the Financial Conduct Authority. Financial Services Register number 555397. Europa Group Limited is authorised and regulated by the Financial Conduct Authority. Financial Services Register No. 309794. Registered as a limited company in England and Wales No. 3279177. Registered office: Europa House, Midland Way, Thornbury, Bristol BS35 2JX.

## FURTHER INFORMATION

**Price Protection Plan.** Order a new Nissan for delivery no more than 4 weeks in advance and the price you are quoted is the price you pay. This is irrespective of any subsequent price rises between placing your order and delivery of your new vehicle. Nissan Motor (GB) is not liable for price adjustments caused by Government changes in the rate of VAT or by any other applicable legislation or regulation or Vehicle Excise Duty.

**Five year/100,000 miles manufacturer's warranty** - Nissan's comprehensive warranty provides cover for your new Nissan from defects in materials or workmanship. Your vehicle is covered in all European Countries where Authorised Nissan Dealers are located. If your vehicle becomes inoperative due to warrantable defects, a towing service, when necessary, to the Authorised Dealer is covered. If a warrantable defect abroad takes more than six hours to repair, the Touring Assistance Programme will pay for a hotel or rental car to a certain maximum. The paint warranty covers painted body parts (excluding the underbody) for three years regardless of mileage driven. For further details please contact your local Authorised Nissan Dealer.

**Nissan e-NV200** offers a 5-year / 60,000 mile warranty on all EV dedicated components, including the lithium-ion battery, and a 3-year / 60,000 mile warranty on standard components. The Nissan e-NV200 lithium-ion battery state of health guarantee protects against battery capacity loss (less than 9 bars out of 12) as shown on e-NV200's capacity gauge for a period of 5 years / 60,000 miles. For e-NV200 flex customers, the battery state of health guarantee applies for the duration of the battery lease. Special build conversions may be subject to extended delivery.

The conversions in this price list are from Nissan Motor GB-appointed converters and have warranty terms in line with the Nissan Pan European Warranty. The converter is responsible for all aspects of the conversion.

**Nissan European Roadside Assistance** is provided for the period of your new vehicle manufacturer warranty. Visit [www.nissan-aftersales.co.uk](http://www.nissan-aftersales.co.uk) for full details including terms & conditions. Nissan EV Pan-European Roadside Assistance is provided by AXA for 3 years or 60,000 miles, whichever comes first.

For e-NV200 Van Flex (battery lease) customers, the Nissan EV Pan-European Roadside Assistance will cover you for the duration of your battery lease agreement should your Nissan EV run out of battery charge. For any other repair work, the basic warranty clause still applies.

Benefits and Services are provided by AXA Assistance. AXA Assistance is authorised and regulated by the Financial Conduct Authority (FCA).

FCA Register number 439069. AXA Assistance UK Limited (registration 2638890) 106 - 118 Station Road, Redhill Surrey RH1 1PR

**Recyclability** - we take our environmental responsibilities very seriously - innovation today comes with a deep respect for the environment. Our engines are now much more unobtrusive and their emissions have been considerably reduced. All our vehicles are designed with recycling in mind. All prices in this list are quoted in pounds sterling. Value Added Tax (VAT) has been calculated at 20%. Accessory prices are subject to change, please see your nearest dealership for the most up to date prices. While all reasonable effort has been made to ensure the accuracy of the information provided, due to Nissan's policy of continuous product improvement, all particulars contained are subject to constant revision and Nissan reserves the right to change, alter or modify among other things, specifications, colours and prices of models without notice at any time. Accordingly you should consult your local Nissan Dealer for the exact introduction dates of all models and for the most up-to-date information.

**Fleet Customers** Special colours and out-of-line-up specifications are available, please check details with fleet managers (regional DFM, CSM or LCV sales managers); Fleet only versions regardless listed in Dealer Master Price List or not, are to be ordered by Dealer Support via regional DFM, CSM or LCV sales managers

**VAT and VED** VAT application is based on current HMRC guidelines, please check with HMRC for specific guidance for the vehicle you are purchasing. VED is determined by the DVLA, please check with the DVLA for specific guidance for the vehicle you are purchasing.
