FIORINO

— URBAN —

WORKER

THE VAN MADE
FOR THE CITY.

FIORINO is compact, agile and able to go anywhere. Starting today it's even more special and representative of a category that it has proudly **PIONEERED**. It combines a commercial vehicle together with new features to top its category for **PERFORMANCE, COMFORT** and **FUNCTIONALITY, LOAD CAPACITY** and **REDUCED RUNNING COSTS**. Perfect in urban missions, nimble in traffic, easy to drive and park, it is the ideal vehicle for door to door deliveries. **CARGO VAN** to transport all types of goods and **COMBI** to transport 4 or 5 people and luggage. Whatever your road may be, **FIORINO** is ready to follow it.

— URBAN —

EXTERIOR

**GOOD LOOKS
RUN IN THE FAMILY.**

Family is important. The **EXTERIOR** of **FIORINO** has been redesigned with explicit references to the rest of the Fiat Professional range design, yet maintaining the model's character with a **MODERN** and **DYNAMIC STYLE**. A front with **HIGH PROJECTORS** for great visibility and protection from crashes and a **NEW BUMPER AND GRILLE** that highlights the car-like style. **FIORINO** proudly wears the **FIAT PROFESSIONAL BADGE** that emphasises the strong brand identity and dedication to the light commercial vehicles range.

URBAN

INTERIOR

ENTER THE UNLIMITED
COMFORT ZONE.

With **FIORINO** you can relax while you are working, thanks to its **ERGONOMIC AND COMFORTABLE INTERIORS**. Now enriched by new features that make the cab functional like an actual travelling office: **STEERING WHEEL WITH RADIO COMMANDS** (also available in techno leather), **INSTRUMENT CLUSTER** permanently illuminated for greater visibility, **5V USB SOCKET** and **GLOVE COMPARTMENT** design. Several versatile **STORAGE COMPARTMENTS** and side panels to store all your belongings. Features also include a practical **DOCUMENT HOLDER** and a passenger seat that can be folded down and used as a table.

URBAN TECHNOLOGY

STAY CONNECTED AT ALL TIMES.

While you drive your business never stops. **FIORINO** offers a complete new infotainment system with the **5" TOUCHSCREEN RADIO** that includes **BLUETOOTH**, audio streaming, USB, AUX MP3 and **COMMANDS ON THE STEERING WHEEL**. This radio can also be upgraded with **NAVIGATION SYSTEM** for you to never get lost. Everything is perfectly integrated in the dashboard giving you total control to make your phone calls without taking your hands off the wheel. Also available are **RADIO CD MP3** and a **RADIO DAB PREDISPOSITION**. All the technology you need at your fingertips.

Touchscreen 5" Bluetooth® Radio

MP3 Radio

MOPAR® CONNECT

Thanks to MOPAR® Connect technology, the driver will be always connected with their Fiorino: remote assistance and control service allow for complete driving safety and provide easier vehicle care.

MY:ASSISTANT

YOUR SAFETY AND YOUR SECURITY ARE ALWAYS OUR PRIORITY

CRASH ASSISTANCE

In the event of a collision the system instantly responds, contacting a Mopar agent to provide you with assistance.

ROADSIDE ASSISTANCE

In the event of a breakdown the system will immediately get in touch with a Mopar agent, who can check the situation remotely and provide assistance to the location reported by your Doblo Cargo GPS.

THEFT ASSISTANCE

Should your vehicle be stolen you will receive an alert and be provided with assistance for tracking and recovery.

MY:REMOTECONTROL

LET YOUR SMARTPHONE BECOME AN INTERACTIVE KEY TO REMOTELY CONTROL YOUR FIORINO WHEREVER YOU ARE AND WHENEVER YOU NEED

FIND CAR

Easily find where your vehicle is parked. The system will pinpoint the location on a map and provide you with the fastest way to reach it.

LOCK DOORS

Remotely lock or unlock the vehicle.

SET NOTIFICATION

Geo Alert

Be alerted when the vehicle enters or exits a defined geographical area

Speed alert

Be notified if your vehicle goes beyond a defined speed limit.

MY:CAR

THE PERSONAL TRAINER TO ALWAYS KEEP YOUR FIORINO FIT

LIVE STATUS

Always be aware of the vehicle's status. Main features, such as remaining fuel, battery level, tyre pressure, current mileage and door status can be checked in real time from anywhere.

— URBAN —

POWER

A SELECTION OF
ENGINES TO GET
YOU STARTED.

Agility is key in the city. **FIORINO** comes with a **FULL RANGE OF BOTH DIESEL AND PETROL EURO 6 ENGINES**. The **DIESEL MULTIJET₂** engine is marked by great driving satisfaction, excellent performance, low running costs and environmental sustainability. **FIORINO** provides the **ECOJET*** version that offers a considerable reduction in terms of fuel consumption and emissions level, with a saving up to 11%. A key feature of FIORINO IS **THE COMFORTMATIC ROBOTISED GEARBOX (MTA)** allowing comfortable driving, particularly in the city.

*Diesel ECOJET: Start&Stop system, smart alternator management and variable displacement oil pump.

URBAN CAPACITY

PLENTY OF ROOM
FOR VERSATILITY.

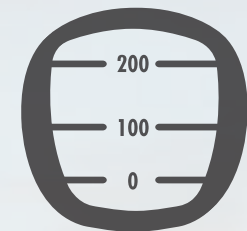

As everyone knows, it's important to stand out from the crowd. Just like **FIORINO** does with its unmistakable car-like style and new anterior looks. **FIORINO** combines its unique design with a load compartment **VOLUME UP TO 2.8 M³** and **EASY ACCESS** thanks to the **WIDE SLIDING SIDE DOOR** with **ERGONOMIC VERTICAL HANDLES**, to help you take charge of all your tasks. But the advantages do not end there,

FIORINO has everything it takes to do a great job: **CAPACITY UP TO 610 KG, A REGULAR SQUARE SHAPE, 180° REAR DOOR OPENING.**

These allow for an easier and more convenient access to the loading bay and a **LOAD THRESHOLD HEIGHT OF JUST 527 MM.** Finally a **9.95 M TURNING CIRCLE** to provide you with greater maneuverability.

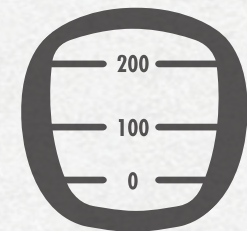

— URBAN —
CAPACITY

**PLENTY OF ROOM
FOR VERSATILITY.**

* with passenger seat folded

URBAN CAPACITY

PLENTY OF ROOM FOR VERSATILITY.

The versatility of the **NEW FIORINO** enables a **LOAD COMPARTMENT LENGTH** increase by nearly one meter and volume increase of 0.3 M³. This allows you to carry long objects with a total load compartment length of nearly **2.5 M** and **2.8 M³ VOLUME**.

The sliding side door blends perfectly into the side panel and the vertical exterior handle offers excellent grip and can be opened with both hands.

Load compartment ceiling light and removable torch.

Load compartment 12V power outlet.

— URBAN —

ADVENTURE

**OFF THE BEATEN
TRACK WITHOUT
TAKING A BEATING.**

FIORINO ADVENTURE is the ideal vehicle to drive in all conditions and tackle rugged terrain. The **ADVENTURE** is a special version equipped with an electronic differential lock, **TRACTION+**, a device that gives you the extra grip to overcome rough terrain such as mud and snow. This system is activated through a button located on the dashboard, at speeds under 30 MPH. Other features include higher suspension and specific 15" Multi-Season tyres, under-engine protection, front bumper with skid plate and higher side protection.

URBAN COMBI

**MOVE MORE THAN
JUST PEOPLE.**

FIORINO COMBI is the versatile transporter for your business: accommodates **UP TO 5 PEOPLE** and plenty of space for goods and luggage, with a **LOAD CAPACITY OF 170 KG**. This makes it the ideal vehicle for carrying your professional team and their tools in comfort and safety. Also available in **4 SEATS** with a load capacity of **280 KG**. Through the **WIDE SIDE SLIDING DOOR** the passengers can access the comfortable rear seats (with Isofix attachment points for children). Also available is an additional side sliding door to facilitate the access of all passengers. Functionality is guaranteed by the totally foldable and removable rear seats to open space for an authentic van loading area with a volume up to 2.5 M³

URBAN

SAFETY

IT KEEPS YOU SAFE.

When your business involves you being on the road every day, safety is paramount.

FIORINO offers all the safety equipment and driving aids such as **ABS** with electronic brake force distribution **EBD**, **ESC** complete with **ASR** (Anti Slip Regulation) and **HBA** (Hydraulic Brake Assist).

HILL HOLDER for those tricky hill-starts and **PARKING SENSORS**. Front **AIRBAGS** and front side airbags, which protect both head and chest. **CRUISE CONTROL** helps you cruise along the motorway without having to press the accelerator pedal.

TRACTION+

Is an aid for driving and setting off in poor grip conditions (snow, ice, mud, etc.) which allows the drive force to be distributed over the same axle when both wheels are slipping. It acts by braking the wheels with poor grip (or those slipping more than the others), thereby transferring the drive force to those which have more grip on the ground.

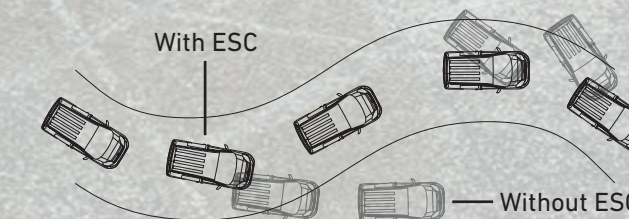

CRUISE CONTROL

It allows you to drive on long and straight roads with few driving changes, such as motorways, at a pre-set speed without having to press the accelerator pedal.

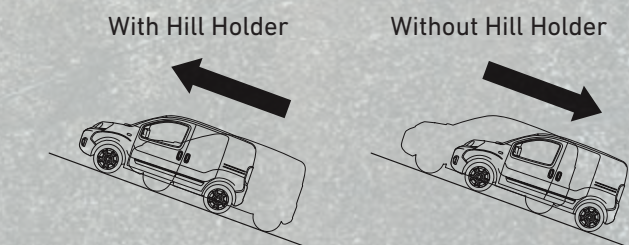

ESC

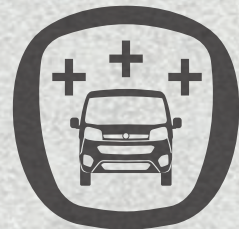

The Electronic Stability Control is a system that controls vehicle stability in the event of tyre grip loss, helping to maintain directional control.

HILL HOLDER

Integrated in the ESC system, it automatically activates in uphill/downhill with engine running and blocks the vehicle for few seconds without you having to press the brake pedal.

URBAN CUSTOMISATION

PERSONALITY ALWAYS MAKES A DIFFERENCE. AT WORK TOO.

FIORINO is complete with a full range of accessories, all top quality, created by **MOPAR®: THE OFFICIAL BRAND FOR SERVICES, CUSTOMER CARE, GENUINE PARTS AND ACCESSORIES** of Fiat Chrysler Automobiles.

PROFESSIONAL

MOPAR®

At your service

One-piece steel roof racks can be used to carry bulky packages and materials.

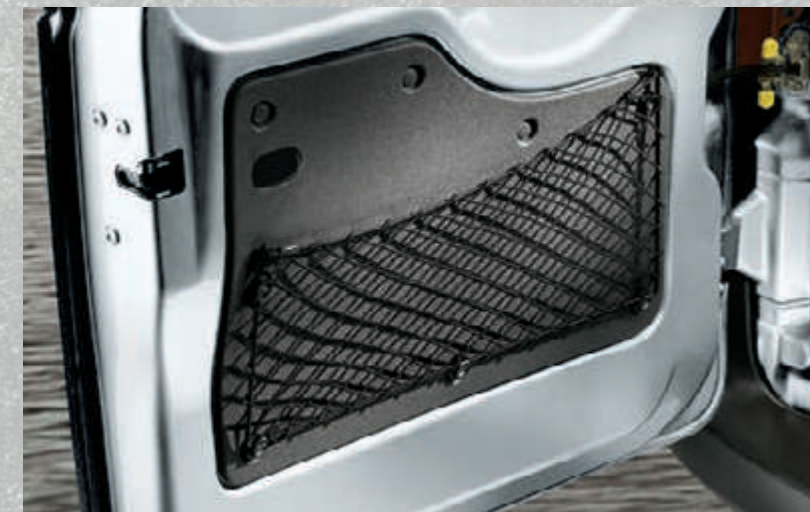

Set of 3 steel bars with a capacity of 90 kg.

Tow hook available in 3 configurations: two fixed and one removable.

Set of two nets on the rear doors, handy for holding small objects in place.

URBAN STYLE

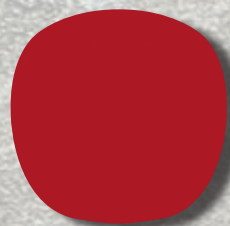

DRESSCODE:
CHAMELEON.

Every work has its own requirements. And **FIORINO** is ready to meet them all. Choose between **10 BODY COLOURS** and **3 NEW SEAT FABRICS**, all designed to enhance passenger comfort and please even the most tireless and demanding worker like you. Decide which version is best, which type of body you like the most and go! Your projects can't wait.

* The specification (A) indicates the value of CO₂ and fuel consumption determined on the basis of the NEDC cycle as per EU Regulation 692/2008.

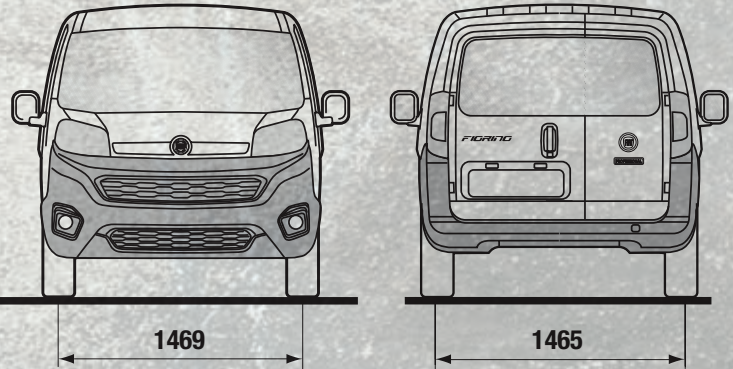

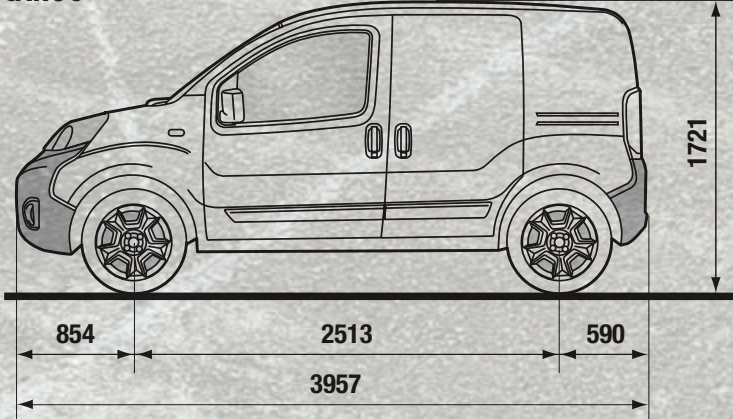

The specification (B) indicates the value of CO₂ and fuel consumption determined on the basis of the measurement / correlation method referring to the NEDC cycle as per Regulation (EU) 2017/1152-1153.

The CO₂ and fuel consumption values obtained according to applicable regulation are indicated in order to allow the comparison of vehicle data. The homologation values of CO₂ and fuel consumption may not reflect the actual values of CO₂ and fuel consumption, which depend on many factors related, by way of example but not limitation, to the driving style, the route, the weather and road conditions, the condition, use and equipment of the vehicle. The indicated value of CO₂ and fuel consumption refers to the versions of the vehicle with the highest and the lowest values. Those values may change with the subsequent configuration depending on equipment selected and/or size of tyres selected. The indicated values of CO₂ and fuel consumption are not definitive and may evolve as a result of changes in the production cycle; more up-to-date values will be available at the selected official dealer of the FCA network. In any case, the official values of CO₂ and fuel consumption of the vehicle purchased by the customer will be provided with the documents accompanying the vehicle. In cases where the values of CO₂ and fuel consumption are relevant for the purposes of calculating taxes and duties related to the vehicle, reference should be made to the applicable laws in each country.

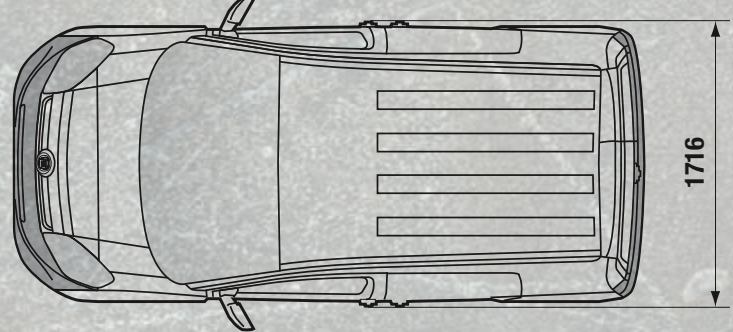

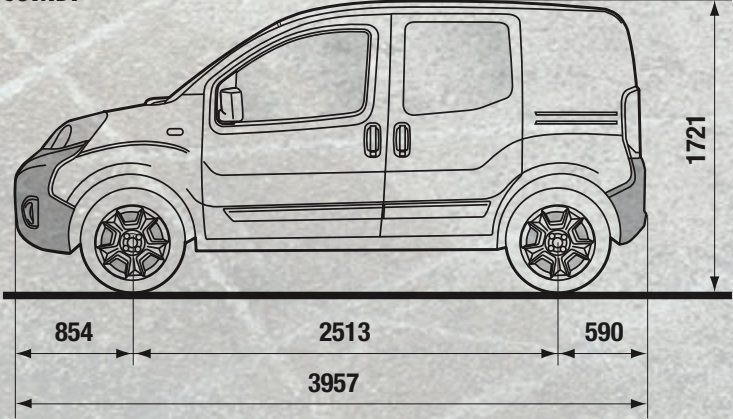

Fiat Professional recommends the original engine oils

CARGO

COMBI

Kerb weight is affected by many factors such as bodystyles, engines and options. It is the weight of a standard-specification base series vehicle, including fluids and approximately 10 litres of fuel. It does not include the driver 75(kg), crew or cargo.

Payload within this guide is the difference between gross vehicle weight (GVW) and kerb weight. Payload includes the driver 75 (kg). It must be taken into account that actual weight will always be subject to manufacturing tolerances which may result in payload variations between this guide and actual weight. For customers intending to load the vehicle close to the maximum payload, we recommend you also add 5% of kerb mass to the kerb weight figure to reduce the risk of overloading.

NB: It is the responsibility of the vehicle operator to ensure their vehicle is legally compliant for road use.

FIORINO is not just a work vehicle. It is also the vehicle that connects you to the large **FIAT PROFESSIONAL** network that is widespread, efficient and always willing to meet your needs and requirements. In short, choosing **FIORINO** also means climbing on board a world of full-range services. Because Fiat Professional knows that work never stops.

VEHICLE WARRANTY

Fiat Professional is a trading name of Fiat Chrysler Automobiles, guarantees your vehicle against manufacturing faults for a period of 24 months from the date of first registration and without mileage limits. Under this Warranty, the Dealer must repair components which are defective due to a manufacturing defect by replacing them with genuine Fiat Professional spare parts or reconditioned Fiat Professional parts free of charge.

Operations under Warranty carried out by a Fiat Professional Dealership include:

- repair or replacement of the faulty component
- labour needed for the replacement or repair
- supply of consumable materials needed to carry out the repair under Warranty.

You have the benefit of roadside assistance for the duration of the Warranty.

Paintwork Warranty

The vehicle is warranted against manufacturing defects of the paintwork for a period of 36 months from the date of first registration. The Warranty provides for the total or partial repainting of the vehicle to the extent necessary and elimination of any ascertained fault according to the Manufacturer's standard conditions.

Perforating Corrosion Warranty

The structural elements of the bodywork are warranted against perforations caused by rust, when it occurs from the inside out. The Warranty provides for the repair and/or replacement of any original, bodywork structural element damaged by perforating rust and is valid for 8 years from date of first registration. The Warranty does not cover defects caused, wholly or partly, or aggravated by the failure to carry out scheduled servicing required by the Manufacturer at the frequency indicated in the Owner Handbook. Any faults found and not covered by Warranty will be recorded on the body inspection certificates when Schedule Servicing coupons are carried out. Please check the specific conditions of the coverages in your warranty booklet.

CUSTOMER CARE CIAO FIAT

You can contact Fiat Professional by calling the dedicated Toll Free Number 0080034280000* reachable from most European countries. We are at your disposal to provide Road Assistance services, active 365 days a year, 24 hours a day.
