New
Renault TRAFIC

A TRAFIC for every profession

Instantly distinguishing New Renault TRAFIC is a more expressive front-end design, with full-LED headlights incorporated into the C-shaped lighting signature that represents the identity of the Renault line. A bolder grille, with details such as a new holder for the Renault logo and chrome finishing strip, plus a new 'Urban Grey' colour complete the revised styling.

Your everyday activity is unique. New Renault TRAFIC has been reinvented in order to meet your specific needs. In its various versions, from the Panel Van to the Crew Van, you will find the one which will help you achieve the best performance. In addition to its remarkable loading capacities, it now has an updated design, a 2.0l engine and an automatic gearbox which makes for an even smoother driving experience.

A Strong personality

New Renault TRAFIC re-asserts its style and stands out from the outset. The front-end panel, front grille with chrome and C-shape light signature with full LED lighting combine dynamism and robustness. More than a van, New Renault TRAFIC is designed to improve your comfort and safety.

A 'Mobile Office' on wheels

The New Renault TRAFIC has been specifically designed to meet your professional needs and provide you the ability to have a truly 'Mobile Office', packed with clever solutions. From tablet and smartphone cradles, to hidden laptop storage, to our integrated MediaNav system, we aim to keep you connected even when on the go. The cabin area is spacious and comfortable, creating optimal driving conditions with ergonomic seats with lumbar adjustment, adjustable steering wheel and climate control all available. It is not lacking in useful storage: 90l, including a large 54l compartment hidden under the passenger bench seat, allow you to have everything within easy reach.

Adapted to your team and your load

Whether it's people or goods, New Renault TRAFIC takes care of everything! With a class-leading loading length of 4.15 m (using the load-through bulkhead under the passenger bench seat) and an effective load volume of up to 8.6 m³, it can transport all materials, tools and large or cumbersome objects! The large sliding side doors and the rear doors which open up to 255° facilitate access to the loading area. Do you need to take your team with you? The Crew Van version can comfortably seat up to six people. Combine business with pleasure with New Renault TRAFIC.

1.

2.

Keeping you connected

Stay connected thanks to New Renault TRAFIC's multimedia systems and Renault Easy Connect services. MediaNav Evolution (standard on Sport) and R-LINK Evolution (optional) have smartphone integration so you can use your favourite applications on the large touchscreen on the dashboard. You also have the R&Go application linking your smartphone or tablet to your vehicle allowing you to control your entire multimedia universe.

1. With MediaNav Evolution, all the multimedia essentials are at your fingertips. The new offering has Apple CarPlay™ and Android Auto™ smartphone integration, providing easy access to your applications. On-board touchscreen tablet which gives you access to features such as: navigation with traffic info, hands-free voice calls, digital radio, music streaming, etc.

2. R&Go, integrate your smartphone or your tablet Listen to your music, manage your contacts, navigate accurately, view fuel consumption data... with the R&Go application, it couldn't be easier, all you need to do is place your smartphone or tablet on the holder and follow the instructions.

3. Even more customisation with R-LINK Evolution. Vehicle information, TomTom® navigation, telephony, multimedia and applications can be downloaded via the R-LINK Store, to enhance your driving comfort. Also find all your applications thanks to the smartphone integration (Android Auto™ only).

Android Auto™ is a trademark of Google Inc.

Apple CarPlay™ is a trademark of Apple Inc.

For compatible devices, please refer to <https://www.renault.co.uk/services/multimedia/bluetooth-compatibility.html>

Connecting a mobile phone to use Bluetooth® should only be done when the vehicle is parked safely. Use of the system should always be in accordance with the rules of The Highway Code. Drivers should only use the system when it is safe to do so. Drivers should be aware of the potential for hands-free technology to distract attention from the road, which could impact on having full control of the vehicle

3.

Drive with peace of mind

To simplify your business trips and make them safer and stress-free, New Renault TRAFIC is equipped with practical driving aids to help keep you safe. To make parking easier, use the front and rear parking sensor system. The rear parking camera is built into the rear-view mirror or the navigation screen (when taken with navigation). The wide view mirror integrated into the passenger sun visor allows you to view the rear blind spot area for increased safety. Cornering lights combined with fog lights increase visibility on winding roads. New Renault TRAFIC takes care of your comfort and safety.

Drive anywhere in any weather

Do you drive all the time on different types of terrain and sometimes on bad roads? To meet occasional demands for enhanced traction and help you deal with poor driving conditions, Renault has developed new technology: Grip Xtend. This technology improves the adaptability of your utility vehicle on difficult roads, such as unpaved or muddy tracks. The onboard computer recovers data from the wheels to optimise the vehicle's performance. When grip is lost, it adapts engine power to each wheel to improve the grip and manoeuvrability of the vehicle.

It should be noted that limitations on screen do not permit the subtle paintwork shades on this page to be shown with absolute accuracy.

Standard features

BUSINESS

16" DELOS wheels

Kompo

Technology

- DAB radio with Bluetooth, USB socket and AUX input with 2x15W speakers
- 12v power socket (front)
- 6 speed gearbox with gear shift indicator
- Trip computer

Interior

- Closed glove box
- Driver's seat with armrest - height adjustable, lumbar adjustment
- Steering wheel - reach and rake adjustment
- Electric front windows - driver's side one-touch descending
- Passenger bench seat
- 'Kompo' upholstery

Exterior

- Left side loading door - unglazed
- 80-litre fuel tank
- 20-litre AdBlue tank
- Door mirrors - heated with electric adjustment and external temperature sensor
- 16" steel wheels with large wheel stylers
- Rear doors - unglazed, 180°
- Roof bar fixings
- Spare wheel with anti-theft spare wheel holder

Safety and security

- ESC (Electronic Stability Control) with HSA (Hill Start Assist) and Grip Xtend
- Anchorage points: 16 for short wheelbase (SWB) and 18 for long wheelbase (LWB)
- Full-steel bulkhead
- Alarm
- ABS with EBD (Electronic Brake force Distribution)
- Electronic immobiliser
- Key - 3 button with selective opening
- Deadlocking
- Airbag - driver
- Seatbelts - 3 point height-adjustable seatbelts with pretensioners and load limiters
- 4 disc brakes

Crew Van adds

- 2nd row of 3 passenger bench seat
- Glazed bulkhead
- Left and right side loading doors - glazed
- Plastic side panels up to windows

Standard features

BUSINESS+ (in addition to BUSINESS)

16" DELOS wheels

Kompo

Interior

- Manual air conditioning and pollen filter
- Passenger bench seat with underseat storage
- Mobile Office (fold down middle passenger seat, with detachable A4 clipboard and laptop storage)
- Smartphone cradle

Exterior

- Body coloured door rail and rear tail light column

Safety and security

- Full steel bulkhead with load-through facility
- Wide view mirror (blind spot mirror in passenger sunvisor)
- Rear parking sensors

Standard features

SPORT (in addition to BUSINESS+)

17" CYCLADE alloy wheels

Java

Technology

- Renault MediaNav 7" touch screen multimedia & navigation system with 2x20W speakers
- Radio with DAB, Bluetooth and USB socket and AUX input
- Automatic headlights and wipers

Interior

- Leather steering wheel
- Premium dashboard with closable upper dashboard storage
- 'Java' upholstery
- 2 spot reading lights (driver/passenger)

Exterior

- Metallic paint
- Body coloured front bumper and door mirrors with brilliant black, high gloss logo surround and chrome grille
- 17" 'Cyclade' alloy wheels

Safety and security

- Front fog lights
- Cruise control and speed limiter

Crew Van adds

- 2nd row of 3 passenger seats:
- Individual seats with adjustable headrests, ISOFIX (left & right seat), 2 armrests and underseat storage
- Left and right side loading doors - glazed with opening windows

Options

1. Rear parking sensor: To facilitate parking manoeuvres, the parking aid alerts you to any obstacles behind the car with an audible signal. You can thus reduce the risk of accidents and damage to your vehicle.

2. Climate control: The automatic climate control system offers comfort in the passenger compartment and good visibility (except in the event of extreme conditions), while optimising consumption. The system controls the ventilation speed, air distribution, air recirculation, and starting and stopping the air conditioning and air temperature.

3. Hands-free key card: You can lock, unlock and start the vehicle without even using the card, simply by touching the door button or the start button.

4. Airbag system: Driver and passenger pre-prepared restraint airbags, headrests and three-point seat belts, including force limiters and pretensioners. Deactivation of the passenger airbag allowing child seat back-to-road installation (according to regulations). Side curtain airbags for the front seats, combined with chest airbags where individual passenger seat is present.

5. Load-through bulkhead: Two hatches, located in the partition and under the passenger bench seat, can increase the loading length by 1.21 m.

Accessories

1. Roof bars: Very practical for transporting professional equipment and all other bulky loads. These roof bars meet all safety and quality standards and are available in either a set of 2 bar (maximum load: 89.5kg) or 4 bars (maximum load: 181.5kg).

2. Loading pack: Essential for easy access to the roof. Pack includes the steel ladder, mounted inside the door for a better hold, and the aluminium roof rack, supplied with rear roller for easy loading.

3. Rubber floor mats: These waterproof and easy-to-maintain mats ensure total protection for the floor of your New TRAFIC. They are quick to attach using 2 safety clips and come in packs of 2 or 4.

4. Rear parking sensors: Makes parking easier by detecting any obstacles behind your vehicle and issuing an audible alert.

5. Kenwood Dashcam: The Kenwood DRV-410 Dash Cam is a great addition for your added security and reassurance on the road. The on-board camera automatically starts recording as soon as the vehicle ignition is switched on. As video footage is now widely accepted and used for insurance claims, the dashcam is designed to give drivers peace of mind. The pack includes a GPS integrated dashboard camera with advanced driver assistance systems (ADAS) built-in and has full HD recording at 27 frames/sec.

For more information, consult the New TRAFIC accessories brochure.

More efficient driving

Now equipped with the new 2.0l dCi diesel engine with variable geometry turbocharger compliant with Euro 6d-temp standards. Available from 120 hp to 170 hp, this 5th generation engine delivers more power (+ 25 hp) and more torque (+ 40 Nm), whilst achieving better fuel economy and driving pleasure.

New TRAFIC Van is available with two superior engines (145 hp and 170 hp) that can accommodate the new dual-clutch automatic gearbox.

[†] Official fuel consumption figures are produced for comparability purposes; only compare figures with vehicles tested to the same technical procedures. Actual real-world driving results may vary depending on factors such as weather conditions, driving styles, vehicle load or any accessories fitted after registration. WLTP is a new test used for fuel consumption and CO₂ figures, however the CO₂ and fuel consumption figures are based on the outgoing NEDC test cycle which have been back-translated from WLTP to NEDC. [^]Payload equals the Maximum Operating Mass (Gross Vehicle Mass or GVW) less the Kerb Mass. Kerb Mass is the weight of the complete vehicle including coolant, oil, a 90% full fuel tank, a 100% full AdBlue tank, spare wheel and jack, but excluding driver and crew. All Kerb Masses, and therefore Payloads quoted are subject to a 5% manufacturing tolerance and are based on the base level model. Any additional equipment added (options or accessories), or the selection of a higher trim level, could result in a higher Kerb Mass and a reduced Payload, and may increase CO₂ and decrease MPG figures.

New TRAFIC Passenger

With a robust style and sophisticated design, New Renault TRAFIC will help you discover a new way of travelling and working. A reliable companion for your time on the road, the spacious interior will surprise you with the comfort and uncompromising adaptability within.

With seating for up to 9 people, the New TRAFIC Passenger provides the ultimate vehicle for you to transport clients, employees or your family! The long wheelbase versions allow you room for suitcases, tools or even the family dog. In addition, the New TRAFIC SpaceClass is equipped to move you and your passengers in style, whilst making your journey easier with a range of on-board technology.

It's time for a new level of comfort

New TRAFIC is like a reliable, everyday companion; it'll take you to another dimension of comfort, where every detail contributes to your driving enjoyment. Secure in an optimised seat, all the controls are at your fingertips. The passenger compartment is bright, no detail has been overlooked and practicality is to the fore: there are several storage spaces in the front section of the vehicle so you can enjoy a tidy passenger compartment and focus on driving, helped by a flexible and efficient navigation system (standard on Sport and SpaceClass).

The senses have never had so much room to express themselves

Designed to accommodate up to nine people in the most comfortable conditions, New Renault SpaceClass knows how to spoil its passengers. Its modular design and ample space make it popular with everyone. The individual LED reading lamps transform the passenger compartment into a private suite where you can relax or work in total peace thanks to the dark tinted windows. 220 V, 12 V, and USB sockets let you charge your smartphone, tablet, or laptop. With the Prestige option, Renault SpaceClass transforms into a “mobile lounge*” with individual rotating seats on runners and exclusive leather upholstery**.

*Retractable sliding table must be ordered as an additional accessory

**Bovine-sourced full leather seat with synthetic leather headrest and armrest

Standard features

BUSINESS

Technology

- Trip computer
- DAB radio with Bluetooth, USB socket and AUX input and 2x15W speakers
- 12v power socket (front and 2nd row)
- 6 speed gearbox with gear shift indicator
- Key - 3 button with selective opening
- ECO mode button

Interior

- 2nd row of 3 passenger seats, removeable, outer seats with ISOFIX points
- 3rd row of 3 passenger seats, removeable
- Closed glove box
- Driver's seat with armrest - height adjustable, lumbar adjustment
- Steering wheel - reach and rake adjustment

- Electric front windows - driver's side 'one touch' descending
- Parcel shelf
- Front passenger bench seat
- 'Kompo' upholstery

Exterior

- Left and right side loading doors - glazed & glazed rear quarter panels
- 80-litre fuel tank
- 20-litre AdBlue tank
- Door mirrors - heated with electric adjustment and external temperature sensor
- 16" DELOS wheels trims
- Rear tailgate - glazed, heated with rear wipers
- Spare wheel with anti-theft spare wheel holder (SWB Only)

Safety and security

- Airbag - driver and front passenger
- ESC (Electronic Stability Control) with Hill Start Assist and Grip Xtend
- ABS with EBD (Electronic Brake force Distribution)
- Tyre pressure monitoring system
- Electronic immobiliser
- Remote central locking (2 button key)
- Deadlocking
- Alarm pre-wiring
- 2 ISOFIX points for 2nd row, outer seats
- Seatbelts - 3 point height-adjustable seatbelts with pretensioners and load limiters
- 4 disc brakes

SPORT (in addition to BUSINESS)

Technology

- Automatic headlights and wipers
- Renault MediaNav Evolution 7" touch screen multimedia, navigation system and 2X20W speakers

Interior

- Manual air conditioning and pollen filter
- Smartphone cradle
- Leather steering wheel
- 'Java' upholstery
- Premium dashboard with closeable upper dashboard storage
- 2 spot reading lights (driver/passenger)

Exterior

- Metallic paint
- 17" CYCLADE alloy wheels
- Body coloured front bumper, door rail, rear tail light column and door mirrors, brilliant black, high gloss logo surround and premium, chrome grille
- Left and right side loading doors - glazed with opening windows

Safety and security

- Front fog lights
- Rear parking sensors
- Cruise control and speed limiter

Standard features

SPACECLASS (in addition to SPORT)

Technology

- 220 V / 300 W socket and 12 V socket in row 3
- 2 USB ports on each side

Interior

- Full leather steering wheel with satin chrome painted insert
- 2 benches on rails (with easy-entry system)
- 2 Isofix on each row
- Storage space
- 6 individual LED reading lights
- Front and rear floor mats with aluminium rails
- Bottle holders in row 3
- Automatic climate control - manual heating and air conditioning in rear passenger area
- Single passenger seat

Exterior

- Glossy Black style for distinctive design
- Dark tinted glass (90% opaque)
- 17" alloy wheels
- Angled front fog lights

More efficient driving

New TRAFIC introduces a new 2.0l dCi diesel engine with variable geometry turbo compliant with Euro 6d-temp standards. Available from 120 to 170hp, the 5th generation engine gives you more power (+ 25 hp) and more torque (+ 40Nm), while being more environmentally friendly. You will enjoy a significantly improved driving experience and lower fuel consumption.

The new 6-speed dual-clutch automatic gearbox combines the comfort of an automatic gearbox with the responsiveness and fuel efficiency of a manual gearbox. Available in two larger engine sizes (145 hp and 170hp), it offers flexibility, responsiveness and efficient fuel consumption.

CO ₂ emissions (g/km) (combined) ⁽⁴⁾	149	149 - 157	158 - 161	158 - 166
Consumption over a combined cycle (mpg) ⁽⁴⁾	50.4 - 49.6	49.6 - 47.1	47.1 - 46.3	47.1 - 44.8

(1) An engine consumes oil for lubrication and to cool its moving parts. It is normal to top the oil up once or several times between two changes. (2) Fuel consumption and CO₂ emissions are certified using a standard, regulated method. It is identical for all manufacturers and allows vehicles to be compared. (3) Actual fuel and AdBlue® consumption depends on vehicle use, equipment, the user's driving style and loading. (4) depending on engine and trim level

[†]WLTP figures shown are for comparability purposes; only compare figures with vehicles tested to the same technical procedures. Actual real world driving results may vary depending on factors such as weather conditions, driving styles, vehicle load or any accessories fitted after registration. WLTP is a new test used for fuel consumption and CO₂ figures however until April 2020 the CO₂ figures are based on the outgoing (NEDC) test cycle which will be used to calculate vehicle tax on first registration.

Renault Pro+, the specialist brand

You're the expert in your field and at Renault Pro+ we're here to guide you through ours. We're passionate about delivering products and services to move your business forward. So when you choose to partner with Renault Pro+ you can expect:

Specialist network

Renault Pro+ Centres have a dedicated commercial vehicle specialist. So whatever you're seeking advice on, there's always someone to help.

Business Commitment

Come rain or shine, we have a set of commitments in place to help maximise uptime and minimise downtime.

The future today - 100% electric

Renault Pro+ has been building, selling and maintaining electric vans since 2011. So when you're looking to make the switch, you know who to speak to.

A tailored approach

Your vehicles are as unique as your business. That's why we have a programme of conversions to deliver exactly the product you want. From 'off the shelf' conversions to a more bespoke approach. We'll guide you through.

Renault Services

3 Years Warranty

Your vehicle is covered by a warranty package for up to 3 years from date of first registration (unlimited mileage during the first 24 months, followed by a further 1 year limited to a total mileage of 100,000). Your Renault Dealer is able to repair or replace without charge, parts that are found to have a material or assembly defect that is recognised by Renault. The paintwork warranty runs for 3 years and the anti-corrosion warranty for 12 years.

For Warranty Terms and Conditions please visit www.renault.co.uk/warranty

3 Years Renault Assistance

Should you need it, we'll provide emergency roadside repairs or tow you to the nearest Renault Dealer. This service is available 24 hours a day and is provided for 36 months from the date of first registration (unlimited mileage for first 24 months, then limited to a total of 100,000 miles or 3 years, whichever comes first). Assistance is provided within the UK & Northern Ireland only at roadside, home and includes national recovery and onward travel. Assistance applies to mechanical or electrical defects which are covered by warranty.

For Renault Assistance and Terms and Conditions please visit www.renault.co.uk/assistance

Service Intervals

25,000 miles / 2 years

Renault Network Services

No-one is better placed than Renault to maintain, fit and repair your Renault, fast. The Renault Minute (maintenance and repair with no appointment necessary) and Renault Rapide Bodycare (bumper scuffs, dings and dents, windscreen, stone chips and interior repairs...) services deliver the highest level of repair and maintenance and offer a full year's guarantee on Original Renault Parts. And don't forget to have a look at our wide range of additional equipment and accessories!

Renault iCare

Renault iCare is an innovative Service, Maintenance & Repair product that supplies Business customers with a fully supported, managed hassle free service and maintenance package.

Renault iCare is a "Pay-As-You-Go" product that insures your vehicle is maintained by Renault technical experts when work is required.

iCare provides the following benefits:

- Full Service, Maintenance & Repair cover in the Renault Dealer Network
 - Tyres can be included within the contract at an additional fixed cost
 - Ancillary equipment can also be included (at an additional fixed monthly cost)
 - Excludes: Damage/Neglect/Abuse/Glass & Bulbs
- A fixed, pre agreed pence per mile rate
- No excess mileage charges at the end of the contract
- No pooled mileage administration
- Minimalise downtime

For more information and to obtain a quote based on your requirements, please speak to your local Renault Business dealer or visit www.renault.co.uk/icare

Customer Relations

Renault knows the value of communicating with its customers and we have established effective ways to keep in touch with you. If, after speaking to your local Renault dealership, you are not completely satisfied, please contact the Renault UK Customer Relations Department on 0344 3350000* (Mon-Fri 9.00am to 5.30pm, except Weds 10.00am to 5.30pm. Closed on Bank Holidays). You can also visit our website www.renault.co.uk or write to us at: Renault UK Ltd, The Rivers Office Park, Denham Way, Maple Cross, Rickmansworth, Hertfordshire, WD3 9YS.

Finance options*

There are a wide variety of ways in which the purchase of a new vehicle can be financed. Renault Finance offers all of them, so whether you're a fleet buyer or private buyer, Renault Finance is ideally placed to tell you which plan or combination of plans best suits your needs and circumstances.

Continue the Renault TRAFIC experience
at www.renault.co.uk

Although every effort has been made to ensure that the information contained within this brochure is as accurate and up to date as possible, Renault U.K. reserves the right to modify its models without notice, including their characteristics, specifications, equipment and accessories. Brochures inevitably become out of date or inaccurate in some respects, in that such characteristics, specifications equipment, or accessories may be changed after the publication date given below and can differ from the descriptions given or the photos displayed. It is therefore necessary to check with your Renault Dealer before purchasing any product that the characteristics, specifications, equipment or accessories of the vehicle on order are as advertised.
