PROACE ELECTRIC, YOUR NEW ELECTRIC TOOL

AVAILABLE ON:
 ELECTRIC

Proace Electric combines the no-compromise capability and versatility of the Proace, with the performance and efficiency of an all-electric, zero-emission powertrain.

Whatever the demand, Proace Electric is by your side. Busy city schedules and out-of-town jobs are handled with unbeatable performance and quietness. A powerful motor and choice of two batteries deliver outstanding acceleration, range and above all, the freedom of zero emissions.

With impressive payload and towing capacity at your disposal, every job's covered. Inside, dedicated EV features help you keep an eye on battery capacity and consumption.

5 KEY REASONS TO BUY ELECTRIC

LOW RUNNING COSTS

With generous savings on fuel, tax and maintenance costs, Proace Electric saves your business money at every turn.

ZERO EMISSIONS

Proace Electric's silent, zero-emission powertrain gives you the freedom of the city and, in many places, free or discounted parking.

RANGE UP TO 205 MILES*

With Proace Electric's impressive range, you'll always have the confidence to go where the work is.

NO COMPROMISE ON CARGO

Offering a 1T payload on 75Kw and a 1.2T payload on 50Kw. Both have a 1T towing capacity. Proace Electric is a no-compromise load-lugger.

CHOICE BETWEEN TWO BATTERY SIZES

With a choice of 50 kWh and 75 kWh batteries, Proace Electric gives you the range (142 miles – 50 kWh / 205 miles – 75 kWh) and capacity you need.

* With 75 kWh battery, based on WLTP calculations.

ELECTRIFY YOUR WORKSPACE

AVAILABLE ON:

Proace Electric makes doing business in the city easy. Clean and capable, its efficient electric powertrain works hard to reduce running costs and your company's carbon footprint, thanks to zero emissions.

On the move, a powerful motor delivers maximum torque in an instant, for silent and seamless acceleration, time after time. Whichever battery you choose, you'll have the energy you need for the day without compromising load capacity.

In the cabin, the Electronic Parking Brake makes city stop-start driving simple and offers more freedom of movement with enhanced legroom.

A CHOICE OF THREE DRIVING MODES

Proace Electric is equipped with a unique Drive Mode Switch. Its three modes allow you to optimise the powertrain's performance to your circumstances: Power for faster acceleration, Normal for everyday use, and Eco for the greatest driving range.

THE RIGHT DRIVING RANGE FOR YOUR BUSINESS

Proace Electric can be specified with either a 50 kWh or 75 kWh battery. Offering driving ranges of up to 142 miles and up to 205 miles respectively, they offer the perfect solution for your business needs, whether it's stop-start city drop-offs or daily long-distance driving.

 50 kW range = up to 142 miles

 75 kW range = up to 205 miles

Estimated distances as indicated on Google Maps. Range depending on length and equipment level of your car.

DROP OFF

Drive 60 km in traffic back to their out-of-town depot

RETURN TO BASE

Arrive at depot, recharge van on wall box

IT'S EASY TO RECHARGE

AVAILABLE ON:
 ELECTRIC

Proace Electric keeps you moving when it matters. With a full charge in as little as 30 minutes, and driving range as high as 205 miles, working with electric doesn't get easier than this.

Whether you're charging via a home socket, through a wall box or fast charging on the go, Proace Electric keeps you powering on. With outstanding range from its 50 kWh and 75 kWh batteries, there's energy to last the busiest days without recharging. When plugged in, a status indicator on the charging lid displays the battery charging status.

CLEAR CHARGING STATUS

Located inside the Proace Electric's charging lid, the battery status indicator light provides an easy way of checking charging status.

THE JOB OF THE BATTERY

Electricity from the battery powers a motor which turns the wheels. By switching the car off when stationary and regenerating energy under braking, energy waste is minimised. When empty, the battery is recharged through a wall socket or dedicated unit.

COMBIMETER AND MULTI-INFORMATION SCREEN

The combimeter shows 'on-the-move' information from electric consumption and battery capacity to EV system indicators. While the multi-information screen relays dedicated EV information, including charging time programmes, charging status, remaining range and trip info, clearly in your eye line.

50 kWh**CHARGING THE 50 kWh BATTERY****DOMESTIC HOME SOCKET**

Plugged into a domestic socket, just like a mobile phone, the 50 kWh battery is fully charged in 14 hours*.

**WALL BOX**

Plugged into a fast, reliable, dedicated home/office wall box, the 50 kWh battery is fully charged in 4 hours 45mins*.

**QUICK CHARGING**

Plugged into a rapid charger, accessible to the public, the 50 kWh battery is fully charged in 32 minutes*.

75 kWh**CHARGING THE 75 kWh BATTERY****DOMESTIC HOME SOCKET**

Plugged into a domestic socket, just like a mobile phone, the 75 kWh battery is fully charged in 23 hours*.

**WALL BOX**

Plugged into a fast, reliable, dedicated home/office wall box, the 75 kWh battery is fully charged in 7 hours*.

**QUICK CHARGING**

Plugged into a rapid charger, accessible to the public, the 75 kWh battery is fully charged in 48 minutes*.

* Charging times subject to local circumstances.

LOAD SPACE TO HANDLE EVERY DEMAND

AVAILABLE ON:

DIESEL

ELECTRIC

Impressive capacity, practical access and three lengths mean the versatile Proace has enough space for the biggest range of loads.

The Proace Compact is the perfect workhorse for tight spaces. Its unique small 4.6m body sets new standards, providing the largest cargo space in its class, and with the Smart Cargo load-through bulkhead opened, also the longest at a surprising 3.3m, it gives you unbeatable volume and payload capacity. Access is provided by a low-loading floor and wide-opening sliding side doors and rear doors, while best-in-class payload capacity means you can carry even more.

If your demands are even greater, the extra capacity of the Proace Medium and Long models will have them covered, with body lengths increasing to 4.9m and 5.3m respectively.

3 seats

PROACE Compact

Cargo length: 3324 mm
Cargo height: 1397 mm
Cargo width: 1636 mm
Maximum payload: 1000 kg

Payload: 1200/1400 kg
Rear door opening: 230°

* With Smart Cargo.

WORK SMART, WORK COMFORTABLY

AVAILABLE ON:

DIESEL

ELECTRIC

Comfortable interiors, intelligent mobile office solutions and practical loading features make the Proace a smart place to work in.

A smooth and quiet drive and supportive seats help you to soak up long distances at the wheel, while the Proace Compact's impressive front-seat configuration allows three people to sit together in comfort. The innovative Smart Cargo option which combines three features – Mobile Office, upright folding front seat and Smart Cargo* load-through bulkhead – enhances the Proace's cabin with useful practicality.

The Proace's optional navigation system[§] is equipped with 10 years' Connected Services, so wherever you are, you can concentrate on the job at hand while enjoying having the information you need at your fingertips.

With Toyota Connect on board, you can unwind with your favourite music or make calls, thanks to seamless Apple CarPlay™ and Android Auto™ integration[°].

* Not available on Combi or Crew Cab grades.

[§] Not available on Active or Combi grades. Optional on Proace Icon as part of Premium Pack. Standard on Proace Design.

[°] Apple Carplay™ and Android Auto™ available as standard on Proace Electric Icon & Proace Design. Optional on Proace Icon as part of the Premium Pack.

Providing an additional load length of 116 cm, while still accommodating two people up front, the Proace's Smart Cargo* load-through bulkhead will certainly go to extra lengths for you.

The Proace's under-seat storage solution offers you and your passengers a convenient home for daily apparatus, stored neatly inside the front bench seat (standard on Icon Crew Cab, Design Crew Cab and Combi grades only).

The Proace's Smart Cargo system features a two-person front bench and Mobile Office solution to give you valuable flexibility when you need to carry more passengers – and the convenience of a table when you don't.

The Proace's optional high-resolution navigation system[§] comes complete with Connected Services. This features real-time traffic, TomTom places, weather, parking, fuel prices and danger zone (speed camera) alerts.

COMFORT

SAFETY AT WORK

A range of advanced safety features helps to keep you and your passengers out of harm's way.

When your business takes you on the road every day, you want to know that you're travelling in safe hands. With Toyota Safety Sense in the Proace, you're doing just that. Available in two optional Toyota Safety Sense packages, the wide range of innovative safety systems help to keep you safe.

Completing the line-up of safety systems is Blind Spot Detection; parking sensors and rear-view monitor are also available for easier and safer parking. Combining all these features with a 5-star* EuroNCAP safety rating makes the Proace a safe place to spend a busy working day.

Proace is also fitted with four airbags[§], including SRS airbags for both driver and front passenger, and side airbags for the front seats.

* Combi models only.

§ Combi & Crew Cab models only.

° Technical name: Pre-Crash Safety System. Design & Design Crew Cab only.

TOYOTA SAFETY SENSE PACKAGE 1

- Lane Departure Alert
- Road Sign Assist
- Automatic High Beam
- Driver Attention Alert

TOYOTA SAFETY SENSE PACKAGE 2

- Adaptive Cruise Control
- Adjustable Speed Limiter (ASL)
- Pre-Collision System[°] with Pedestrian Detection
- Cornering lights

EURO NCAP

The Proace was awarded a 5-star rating* from the safety testing organisation Euro NCAP.

THE POWERTRAIN YOUR BUSINESS NEEDS

With a line-up that features zero-emission electric powertrains and responsive diesel engines, the Proace range delivers outstanding efficiency and drivability.

Available with a choice of 50 kWh or 75 kWh batteries, Proace Electric delivers the zero-emission solution to suit your needs. With a driving range of up to 205 miles and payload up to 1.2T, you can enjoy superior performance and capability.

The Proace's 1.5- and 2.0-litre diesel engines are offered in three outputs, ranging from 100 to 180 DIN hp. Equipped with Stop & Start technology across the line-up, and available in manual and automatic transmissions, they return impressive fuel efficiency and CO₂ emissions from 166 g/km*.

ACCESSORIES

TAILORED FOR YOUR BUSINESS

Whatever your business, whichever Proace model you drive, genuine Toyota accessories give you flexibility to personalise your vehicle's practicality and load-carrying. Each accessory and all its details combine to make your life easier, more efficient and much more rewarding.

SIDE BARS, CHROME

SIDE BARS, MATTE BLACK

CHROME OR MATTE BLACK SIDE BARS

The distinctive tubular stainless steel bars give an extra dimension of style while also guarding the side panels against minor impacts.

BUMPER PROTECTION PLATE & MUD FLAPS

The Bumper protection plate shields the rear bumper against scratching when loading or unloading, whilst mud flaps minimise water, mud and stones spraying onto your Proace's body.

ROOF RACK, BLACK STEEL

The high quality construction of the black steel roof rack incorporating half width ladder roller provides strength and a long-lasting durability for carrying many different types of load.

ROOF BARS

The easy-to-fit lockable bars combine to form a base for carrying items such as bicycles or luggage and ski boxes.

ROOF PLATFORM, ALUMINIUM

A strong yet lightweight aluminium structure with an integrated rooftop walkway and full width ladder roller.

PROTECTION

Insulated side
wall protection

Anti-slip high quality
wood floor protection

* Proace EV plastic lining kit, roof insulation not included.

CUSTOMISED INTERIORS

**RUBBER FLOOR MAT**

The rubber mats are designed to minimise water, mud and stones spraying onto your car's body.

**TEXTILE FLOOR MAT**

Stylishly protect your cabin carpets. Safety fixings hold the driver's mat firmly in place.

**CABLE STORAGE BAG**

This practical storage bag keeps your charging cable in good condition and prevents it from getting tangled or cluttering your luggage space.

**CHARGING CABLE**

When charging on the go, use this cable (available in 5m, 7.5m or 10m lengths) to connect your vehicle to a public charging station.

OWNING YOUR PROACE

Servicing your Toyota

Toyota Service Pricing means you will be sure to know the cost of your service up front. Expertly trained technicians using only genuine Toyota parts will carry out your service at one of over 200 Authorised Toyota Service Centres. The technicians will advise you on the correct service for your vehicle based on the vehicle's age, mileage and service history and with a hybrid service costing the same as non-hybrid.

For more information visit toyota.co.uk/owners/servicing-and-aftercare/service-mot-maintenance

Service Plans

Inflation-proof pricing with a monthly or one-off payment plan means one less thing to worry about. With Toyota Service Plans the price you're quoted is guaranteed for the duration of your plan. The service, parts and labour are all paid for either in monthly instalments or as a one-off payment at the beginning of your plan. Peace of mind with a Toyota Service Plan.

For more information visit toyota.co.uk/owners/servicing-and-aftercare/service-mot-maintenance

Toyota Price Repairs

We offer transparent prices on a number of repair items for your Toyota giving you peace of mind when it comes to managing costs. Also don't forget we only use genuine Toyota parts, all of which come with at least 12 months' warranty (some even offer unlimited mileage warranties); and your vehicle will always be dealt with by a trained Toyota technician.

For more information visit toyota.co.uk/owners/parts-accessories/parts

MyT

Whether you're a long-term owner or have recently taken delivery of a new Toyota, there are lots of reasons to join **MyT**. Packed with time-saving and convenient features, **MyT** ensures everything you need to manage your vehicle ownership is in one place. You'll also gain access to **My Rewards** where you can enjoy great offers and discounts from big brands on everything from family days out to pampering as well as everyday deals.

For more information visit toyota.co.uk/mytoyota or download the **MyT** app now available on iTunes and Android.

Toyota Accessories

Toyota accessories are designed and manufactured with the same care, quality and attention to detail as Toyota vehicles. Tailor-made for your Toyota, they fit perfectly and add a personal touch of style, comfort and practicality. Also, because they've been tested under the most severe conditions, you can have complete confidence in their reliability and durability.

For more information visit toyota.co.uk/owners/parts-accessories/parts

Toyota Relax

Up to 10 Years (100,000 mile) Toyota warranty

Every new Toyota is eligible to be covered by up to 10 years' manufacturer warranty through Toyota Relax. This is provided through an initial 3 years manufacturer warranty that can be extended with regular servicing at a Toyota dealer. 12 months warranty is included with every Toyota Service, up to 100,000 miles or 10 years, whichever comes first, giving you a chance to relax in the knowledge that you and your vehicle are in safe hands. Terms and conditions apply.

For full details, please ask your official Toyota Centre or visit toyota.co.uk/relax

Toyota Roadside Assistance

When you buy a Toyota you will automatically receive 12 months' AA Roadside Assistance in the UK and Europe, free of charge. After the first year the cost of Toyota Roadside Assistance is £7 per month if paid by monthly Direct Debit, £72 per annum if paid by annual Direct Debit, and £76 per annum when paid by all other payment methods.*

For full terms and conditions please visit toyota.co.uk/owners/roadside-assistance

Corrosion Cover

The 6-year unlimited mileage cover protects against rust perforation affecting sheet metal body panels as a result of a manufacturing fault. This warranty can also be transferred to any future owner throughout the 6-year period. On pick-up beds the corrosion cover term is 3 years.

Rust and Paint Cover

The 3-year unlimited mileage cover protects against defects and surface rust as a result of a manufacturing fault. On pick-up beds the rust and paint cover term is 1 year.

Toyota Business Centre

Our Toyota Business Centre network promise you sameday access to a business manager or dedicated sales executive. With business offers and interactive wholelife cost modelling tools which consider emissions, fuel economy, servicing, insurance and residual value data, our advisers can accurately compare tax costs against any competitor. Whenever servicing is due, we can offer fixed-price servicing, free local vehicle collection and delivery (with wash and vac).

Special offers, fixed-price fleet servicing, specialist fleet insurance, business daily hire, Toyota Fleet Financial Services, extended test drives and a dedicated Business Centre Network are just some of the services business customers can expect from Toyota.

For more information visit toyota.co.uk/businesscustomers

Toyota Motor Insurance

Toyota Motor Insurance is available for Toyota owners at competitive premiums. To obtain details of the benefits included and to arrange a quotation, please contact your local Toyota Centre or call 0800 350 500.

Flexible Finance from Toyota Financial Services

All our plans offer easy budgeting and peace of mind and **AccessToyota** brings these benefits together in one flexible package.

Toyota Financial Services, Great Burgh, Burgh Heath, Epsom, Surrey, KT18 5UZ.

Finance subject to status to over 18s only. Indemnities may be required. Terms and conditions apply.

TFS is authorised and regulated by the Financial Conduct Authority.

* Prices correct at time of going to print.

PEACE OF MIND COMES AS STANDARD

With the new Proace Electric joining the Proace, Proace City, Land Cruiser and legendary Hilux, Toyota now have the complete range of commercial vehicles to power your business and suit the needs of your trade.

Toyota is as serious about your business as you are. So you can rely on our highly trained technicians and a range of services specially designed for commercial customers to keep you moving.

While every effort is made to reproduce accurate information, we reserve the right to change specifications, equipment and availability without prior notice. This brochure cannot be regarded as infallible (some of the vehicles shown may not be to exact UK specification), and as such does not constitute an offer for sale of any particular vehicle or specification. For the latest specification and availability, we ask that you contact your local Toyota Centre. Vehicle body colours may differ slightly from the printed images in this brochure.

Quoted mpg and CO₂: Figures are provided for comparability purposes; only compare fuel consumption and CO₂ figures with other cars tested to the same technical procedures. These figures may not reflect real life driving results. Fuel consumption and CO₂ produced varies significantly depending on a number of factors, including the accessories fitted (post-registration), driving style, conditions, speed and vehicle load.

Electric range shown is for Proace EV with 16" steel wheels. Electric range figures are provided for comparability purposes; only compare electric range figures with other cars tested to the same technical procedures. These figures may not reflect real life driving results. Electric range can vary significantly depending on a number of factors, including the accessories fitted (post-registration), driving style, conditions, speed and vehicle load.

All models and grades are certified according to the World Harmonised Light Vehicle Test Procedure (WLTP). All mpg and CO₂ figures quoted are full WLTP figures. For more information on WLTP and specific vehicle types see www.toyota.co.uk.

More information on WLTP in general can be found by visiting: www.vehicle-certification-agency.gov.uk/fcb/wltp.asp.

The use of the term 'Toyota Accessories' should not be taken to imply that the products on the accessory pages are actually manufactured by the Toyota Motor Corporation or Toyota (GB) PLC. Toyota (GB) PLC is continually updating and changing specifications of accessories and reserves the right to do so at any time without prior notice.
