NEW
**RENAULT
TRAFIC**

the van designed around you

New Renault Trafic has been redesigned to bring maximum efficiency and personalisation to your journey. With the choice from 2 lengths, 2 roof heights and panel van or crew van versions, the New Trafic range allows for customisation to find the right van for your day-to-day needs. The redesign of New Trafic has optimised storage space and comfort throughout the cabin, enhancing the mobile office and connectivity features, making every journey with New Trafic more enjoyable and efficient.

**elegant functionality
on the road**

Dynamic and elegant, the exterior design of the New Renault Trafic is above all functional. The new C-shaped LED headlights and 30% larger electric-folding door mirrors bring a stylish look to the front of New Trafic, while also providing greater visibility. The ergonomic load area allows you to maximise storage and makes it more convenient than ever to transfer cargo. Emphasising the elegance of New Trafic, the 17" alloy wheels make a statement on the road and reflect the attention brought to even the smallest of details.

1. up to 4.15m of load length thanks to the load-through bulkhead located underneath the passenger seat
2. up to 8.9m³ of load volume
3. the load area includes up to 18 anchorage points and 2 LED lights

optimised load area

3

With its class-leading load length of 4.15m* using the load-through bulkhead under the passenger seat, and its capacity of towing up to 2.5 tonnes, nothing can stop the New Renault Trafic. The ergonomically designed load area offers of up to 8.9m³ of volume, along with two LED lights as well as the 18 anchorage points* to maximise convenience.

*in L2 version.

1. 84 litres of cabin storage including 3 litre glovebox
2. wireless smartphone charger
3. smartphone integration via AndroidAuto™ or Apple CarPlay™
4. mobile office: middle passenger seat folds down to present laptop and clipboard storage

premium and spacious cabin

The completely redesigned interior on New Trafic brings some of the best features of the Renault Car range to the cabin, delivering a highly premium feel. A brand-new dashboard with chrome inserts and the 4.2" colour display on the instrument panel bring a true feel of quality to New Trafic, along with the 84 litres of convenient storage solutions. Enjoy your journey from start to finish with the new 8" EASY LINK multimedia system and stay connected through the smartphone integration brought by Android Auto or Apple CarPlay, all while charging your device on the new wireless smartphone charger.

*depending on versions.

Android Auto™ is a trademark of Google Inc. Apple CarPlay™ is a trademark of Apple Inc. Dashboard compartment covers are not available on right-hand drive vehicles.

driving made simple

Drive with complete peace of mind, New Traffic will make your journeys safer. A range of advanced driver assistance systems⁽¹⁾ and safety devices allow you to travel with confidence.

The 360° parking sensors

Front, rear and side sensors warn you of objects using an audible and visual signal. You no longer need to worry about damaging your bodywork (Optional).

Blind Spot Warning

This system warns the driver of vehicles in their blind spot and helps avoid collisions when manoeuvring. The driver is alerted by an LED light being activated in the corresponding door mirror (Optional).

(1) It is your responsibility to stay alert, drive safely and be in control of the vehicle at all times. Driver assist features have speed and other limitations and should not be relied on. For more information, please refer to the owner's manual or contact your local dealer.

an ever safer road

Active Emergency Braking System

This system is able to detect both moving and stationary vehicles. The driver is warned via a visual and audible alert, if the driver doesn't brake or doesn't brake hard enough the system supports with braking (Standard from Sport).

Adaptive Cruise Control

This allows you to maintain a safe distance from the vehicle in front. The system applies the brakes when this distance is too short and then accelerates once the road is clear again (Optional).

Lane Departure Warning

This system alerts the driver if they cross the central reservation line involuntarily (Standard from Sport+).

Service Plan Terms & Conditions The Service Plan offer is available on all LCV's. Valid at participating Renault dealers only and may be purchased up to 12 months after registration or before the first service (whichever is sooner). Vehicles must be ordered between 01 October 2021 and 31 December 2021 and registered by 31 March 2022.

The Renault Service plan covers the manufacturer's minimum maintenance programme requirements for the term of the Service Plan purchased (refer to the Warranty and Service sheet in the Handover Document wallet for details). The plan ends when you reach the age or mileage limit (whichever comes first). Services must be carried out in line with the manufacturer's minimum maintenance programme requirements and servicing intervals within +/-1 month or 1,000 miles of the service interval and can only be carried out at a Renault Approved outlet. Service plans do not cover wear and tear items such as (but not limited to) tyres, wiper blades or brakes. For Service plan full Terms & Conditions visit www.renault.co.uk/owners. Cannot be part exchanged, refunded or transferred. All prices quoted are MRRP.

Extended Warranty Terms & Conditions The Extended Warranties are available on all LCV's (excluding ZOE Van). Valid at participating Renault dealers only and are available to purchase from first date of registration and may be purchased up to 12 months after registration. For full Extended Warranty Terms and Conditions visit www.renault.co.uk/extensions-of-warranties

- = not available.. (1) homologation in progress. The actual consumption of fuel and AdBlue depends on the conditions of use of the vehicle, the equipment, the driving style of the driver and the load . (2) an engine consumes oil for lubricating and cooling its moving parts. It is normal to top up the oil once or several times between two changes. (3) WLTP figures shown are for comparability purposes. Actual real-world driving results may vary depending on factors such as weather conditions, driving styles, vehicle load or any accessories fitted after registration. Depending on options fitted WLTP figures may differ. Please consult with local dealer or refer to www.business.renault.co.uk/configurator for more information. (4) WLTP (Worldwide harmonized Light vehicles Test procedures): this new protocol makes it possible to obtain results much closer to those observed during the daily trips carried out than the NEDC protocol.

A tailored approach

Your vehicles are as unique as your business. That's why we have a programme of conversions to deliver exactly the product you want. From 'off the shelf' conversions to a more bespoke approach. We'll guide you through.

Renault services

3 Years Warranty

Your vehicle is covered by a warranty package for up to 3 years from date of first registration (unlimited mileage during the first 24 months, followed by a further 1 year limited to a total mileage of 100,000). Your Renault Dealer is able to repair or replace without charge, parts that are found to have a material or assembly defect that is recognised by Renault. The paintwork warranty runs for 3 years and the anti-corrosion warranty for 12 years.

For Warranty Terms and Conditions please visit www.renault.co.uk/warranty

3 Years Renault Assistance

Should you need it, we'll provide emergency roadside repairs or tow you to the nearest Renault Dealer. This service is available 24 hours a day and is provided for 36 months from the date of first registration (unlimited mileage for first 24 months, then limited to a total of 100,000 miles or 3 years, whichever comes first). Assistance is provided within the UK & Northern Ireland only at roadside, home and includes national recovery and onward travel. Assistance applies to mechanical or electrical defects which are covered by warranty.

For Renault Assistance and Terms and Conditions please visit www.renault.co.uk/assistance
