Innovation that excites

NISSAN
NV300

LCV AN UNBEATABLE LINEUP

NISSAN

OFFICIAL LIGHT COMMERCIAL VEHICLE
OF THE UEFA CHAMPIONS LEAGUE

UEFA CHAMPIONS LEAGUE

At Nissan, we're constantly innovating for your business - coming up with clever new ways to deliver class-leading space and enhanced efficiency, improved versatility and durability, increased cost savings and ease of use. We engineer excitement and innovation round the clock to make your daily routine smoother, your work more fun and keep you ahead of the game. Because nothing beats the feeling of a job done smarter.

PICK YOUR PLAYER

YOU CAN ASK A LOT OF THE NEW NISSAN NV300, and trust it to respond. It has everything you need for your business: low on running costs, big on comfort, plus exceptional load-carrying flexibility for its practical, mid-size van dimensions. As you'd expect from a Nissan, the NV300 is also built to be thoroughly dependable. A promise that's supported by our five year warranty.

"Reliability is vital; my business depends on always getting to my customers on time. So the Nissan 5 Year Warranty is a big bonus. It shows Nissan has real confidence in its engineering, build quality and reliability, and that gives me confidence too."

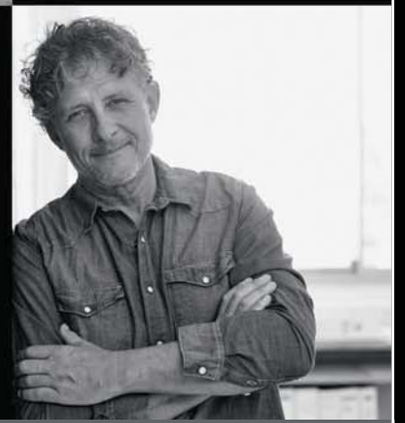

"I'm driving most of the day, which means performance and fuel efficiency are really crucial. My NV300 gives me a smooth drive with good acceleration if I need it, and the economy's really good too. It means driving is more relaxed and my bank balance benefits too."

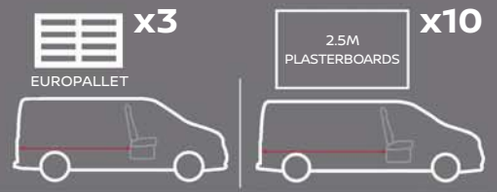

"Nissan has a great range of LCVs, and they all have features that are useful for my business. I chose the NV300 because it's the right size for my current need. When my business grows it's good to know that I can move up a size and still drive a Nissan."

5 YEAR WARRANTY
100 000 MILES

"My NV300 is more than a van to me, it's also my office. I need to process paperwork, get hold of parts and keep in touch with customers when I'm on the move, so that's why I chose the NV300. It makes it easy to be organised and efficient, and that's a good image to show customers."

GET THE JOB DONE

With an impressive load space you can easily load three Europallets or ten 2.5M plasterboards. With its bulkhead flap, NV300 enables you to carry long items up to 3.75M in the L1 and up to 4.15M in the L2.

UP TO 1,280KG PAYLOAD

UP TO 8.6M³ CARGO VOLUME

DESIGNED FOR YOU

THERE'S AN IDEAL NV300 FOR YOU. Choose from two lengths and heights for the Panel Van, two lengths for the Combi or Crew Van, or the long Platform Cab, which is ready for your specific conversion.

KEY PERFORMANCE INDICATOR

ROOM FOR LOADS, COMFORT FOR PEOPLE

NV300 PANEL VAN can take up to 8.6M³ of cargo and up to 1,280kg payload while the Crew Van carries a team of six plus the tools you need for the job. Combi will seat up to nine people in spacious comfort.

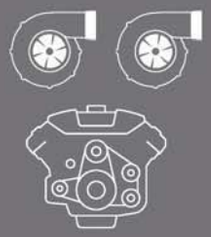

UP TO **8.6M³** CARGO CAPACITY

UP TO **4.0M³** WITH 6 PERSONS

UP TO **9 SEATS** WITH PLENTY OF ROOM

LIGHT ON FUEL, STRONG ON POWER

The 1.6 dCi NV300 engine is available with 4 different outputs: two Single Turbo producing 95PS or 120PS, and two Twin Turbo offering 125PS or 145PS. Twin Turbo engines develop more torque from low revs and more power at high speeds for even better driveability.

KEEP IN TOUCH

Bluetooth®

NissanConnect by LG*

Keep in touch with NissanConnect, your navigation, communication and audio-entertainment system. Display maps, music, info and phone files on your 7" colour touch screen, get voice guidance across Europe, enjoy hands-free connectivity and listen to all your music in any format through CD, iPod, MP3, USB or Bluetooth® audio streaming.

*Standard on Tekna models

LOW RUNNING COSTS

All NV300 engines are EURO6 compliant. Their low fuel consumption coupled to 2 years / 25,000 miles service intervals contributes to the NV300's low running costs.

EXACTLY YOURS. A comprehensive range plus many options make it easy to choose the perfect NV300 for your business. There are two lengths and heights for Panel Van, two lengths for Crew Van and Combi, and a long wheelbase Platform Cab for conversions. **ENJOY DECIDING!**

DEMANDS LESS, GIVES YOU MORE

WITH ITS LOW RUNNING COSTS, the NV300 is always good for your business. Both its Single and Twin Turbo engines are impressively economical, while Stop/Start and other smart energy management features help save more fuel. And you have the reassurance of knowing the NV300 is covered by the exceptional Nissan 5 year, 100,000 mile warranty.

47.9 MPG
STOP/START & ECO MODE

TWIN TURBO | **125** PS

5 YEAR WARRANTY 100 000 MILES

INSPIRED THINKING. SMARTER LOADING.

As well as a roomy and adaptable load space, NV300 packs in lots of practical, helpful details. The sort of inspired ideas that turn a challenge into a job well done.

OTHER FEATURES INCLUDE:

- 12V socket located on the cargo area*
- Optional interior roof storage rack available for items up to 2.0M long/13kg
- Optional glazed rear doors or tailgate
- tow a braked trailer up to 2000kg

Bulkhead flap lifts to allow extra long objects – up to 3.75M in the L1 NV300 or 4.15M in the L2 NV300 (Standard on Acenta & Tekna Panel Van models).

Sliding side door is over a metre wide, so will easily take a Europallet.

Side-hinged rear doors open 90°/180° for wide access. For even wider access, 270° rear doors are available as an option.

Up to 18 Anchorage rings available to keep your load secure.

*Standard on Acenta and Tekna Panel Van & Crew Van models only

FROM 5.2 TO 8.6M³
LOAD SPACE VOLUME

3 EUROPALLETS
CAPACITY

1,662MM
MAX LOAD SPACE WIDTH

1,898MM
MAX LOAD SPACE HEIGHT

TAKE MORE ON BOARD, EASILY

The NV300 is built to make your working day simpler. It's easy to load a Europallet through the wide rear opening, or through the sliding side doors, which also make kerbside deliveries quicker. You can get more done with the NV300.

COMFORTABLE AND PRACTICAL

The NV300's cab is much more than a comfortable workplace. It's also a highly organised mobile office. There's up to 89 litres of storage space available for everything from paper clips and cups to large bottles and your laptop. The base of the passenger seat flips forward to reveal large storage bins (standard on Acenta & Tekna Panel Van models). The centre seatback folds flat and provides a removable A4 clipboard holder (standard on Acenta & Tekna Panel Van models). These are just some of the practical features that show we've thought about the way you work.

VAN INTERIOR FEATURES INCLUDE:

1. Storage for larger items beneath the passenger seats. (Acenta & Tekna Panel Van models only)
2. Clipboard holder inside centre seatback. Plus flat space for documents or laptop. (Acenta & Tekna Panel Van models only)
3. Convenient cup holder to safely hold your beverage.
4. Adjustable cradle for your smartphone. (Acenta & Tekna only)

Navigate anywhere like a local with clear images, voice guidance, and traffic info which helps you steer clear of delays.

Make your NV300 an entertainment and communication centre. Listen to your music library via Bluetooth.

Talk to customers and phone home. With NissanConnect hands-free technology, you can make and answer calls and access your contacts, with your hands safely on the wheel.

NissanConnect by LG
7" touch screen, navigation with traffic and USB map updates, DAB digital radio, Bluetooth smartphone integration, USB and jack socket connectivity.

NissanConnect by LG

ADVANCED SIMPLICITY

Being on time and keeping in touch are crucial for any business. We make it easier with NissanConnect – our sophisticated yet simple to use multimedia system that syncs with your smartphone.

NV300 PANEL VAN

LOVES LARGE LOADS

The NV300 Panel Van is a capable, roomy and reliable workhorse. Offering a large load space in a highly manoeuvrable medium size footprint, it's practical for city streets and relaxed on motorways.

ACCESS AND LOAD SPACE FEATURES INCLUDE:

- Side and rear doors take a Euro pallet with ease
- Rear doors with 180° opening (270° rear doors available as an option)
- Illuminated load area
- 12-volt electrical accessory socket in load area (Standard on Acenta & Tekna Panel Van & Crew Van models)
- Floor-mounted, load-securing eyes
- Bulkhead flap (standard on Acenta & Tekna Panel Van models only) extends load space length up to 3.75m (L1 versions) & up to 4.15M (L2 versions)

A 1.0M wide sliding door is available for one or both sides.

This clever device lets you shut just one of the rear doors, enabling you to carry longer loads safely (Standard on Acenta & Tekna Panel Van & Crew Van H1 models only).

NV300 CREW VAN

READY FOR ANYTHING

The NV300 Crew Van is the flexible working solution. Your workmates have easy access through twin sliding doors, with room to travel to the job and back in comfort. With two van lengths available, there's space for your crew and up to 4.0M³ load capacity.

CREW AND LOAD SPACE FEATURES:

- From 3.2 to 4.0M³ max load space volume
- Payload up to 1,040kg
- Twin sliding side-access doors with fixed (Acenta) or opening (Tekna) windows
- High-strength plastic bulkhead
- 3-seater rear bench or individual seats with head restraints adjustable in height and tilting
- 3-Point inertia-reel safety belt on all seats

Up to 4.0M³ load space for tools and equipment.

Individually contoured rear bench seat for up to three passengers.

Large windows make interior light and airy.

NV300 COMBI

CREATE THE BEST IMPRESSION

Smart, spacious and offering a comfortable ride, the Combi will impress your passengers on the way to the airport, the game, in the city or on the motorway.

COMBI STANDARD FEATURES INCLUDE:

- Up to nine seat layout with choice of two wheelbases
- Twin sliding side-access doors with fixed (Acenta) or opening (Tekna) windows
- Second and third row contoured bench seats, each taking three passengers
- 60/40 split/fold seat back for second-row bench seat
- Fold and tumble facility for third row bench seat
- Removable second and third row bench seats
- Inertia-reel lap and diagonal seatbelts for all seats
- Rubber floor covering
- Half-height sidewall trim

Large sliding side doors and second row split/fold seat backs ensure easy access.

Folding or removable third row and removable second row seats offer flexible passenger/ load space combinations.

Remove the second and third row seats and Combi gives you the load space of a Panel Van.

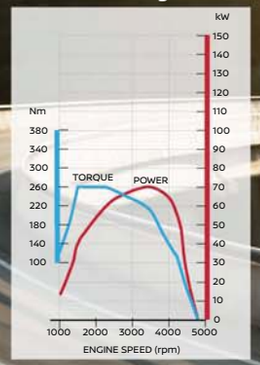

HIGH EFFICIENCY

The NV300's 1.6 litre dCi diesel engines combine the advantages of small capacity for impressive fuel economy, and turbo boost across the rev range. Four EURO6 compliant engines are available: Single Turbo with 95PS or 120PS and Twin Turbo with 125PS or 145PS.

1.6 dCi 145PS Twin Turbo

1.6 dCi 95PS Single Turbo

TWIN TURBO FEATURES
The first turbo produces high torque at low speeds, for more power when pulling away and restarting. The second turbo increases output at higher speeds, for constant, confident acceleration.

STOP/START
Standard on twin turbo engines and optional on the 95PS unit, the engine stops while waiting in traffic and restarts instantly when you press the clutch. You'll soon notice the fuel savings.

ECO MODE
Switch on to optimise fuel consumption, through max torque limitation, smoother accelerator response and anticipated gearshift indicator.

SMART ENERGY MANAGEMENT
This is a way of recovering energy from deceleration and braking to reduce overall fuel consumption.

EURO6 COMPLIANT
Selective Catalytic Reduction technology uses AdBlue to convert Nitrogen Oxide emissions to water, nitrogen and tiny amounts of carbon dioxide – natural elements we breathe safely every day.

THOUGHTFUL AND RESPONSIBLE

Your safety is important to us, so the NV300 is equipped with active safety systems including Electronic Stability Program (ESP), ABS with Electronic Brakeforce Distribution (EBD) and Extended Grip that optimises traction in difficult conditions (such as mud and snow), plus several thoughtful touches to make driving easier and keep you calmly in control.

I-KEY (OPTIONAL)
When you have your hands full, i-Key allows hands-free front and rear door unlocking/ locking and engine start.

REAR VIEW CAMERA (OPTIONAL)
Combined with rear parking sensors, it makes manoeuvring easier and safer.

BLIND SPOT MIRROR
(Standard on Acenta & Tekna Panel Van & Crew Van models)

ECO MODE
Activating Eco Mode helps you achieve the most fuel-efficient driving characteristics.

CRUISE CONTROL
Relax on long journeys. Combined with speed limiter to help you keep within the legal limits.
(Standard on Tekna)

AUTO LIGHTS & WIPERS
Activate automatically so you can stay focused on the road.
(Standard on Tekna)

TOWING
Optional TSM (Trailer Sway Mitigation) works with ESP to help keep you in control when towing.

HILL START ASSIST
Makes hill-starts safer and smoother by maintaining brake pressure for up to 2 seconds.

NISSAN
NV300 COMBI

The passenger version of the Nissan NV300 is called the Combi, and provides space for up to nine people (three rows of three seats). It still has room for their luggage, with carrying capacity of 550 and 890 litres for the L1 and L2 versions respectively. The modularity of the two rear bench seats ensures a choice of several layouts to further increase the boot capacity. Access to the third row is via the second row's outer seats, the backs of which can be lowered. Boot volume can be further adapted thanks to a luggage cover, which can be positioned at one of two heights. Cleverly, it can also be positioned vertically in order to compartmentalise the load carrying space.

	1000 kg / 1200 kg	1200 kg
Vehicle weight (unladen) (kg)	1845	1900
Payload with driver* (kg)	975 / 987	1040
GVW (kg)	2820 / 2832	2940

*Payload equals the Maximum Operating Mass (Gross Vehicle Mass or GVW) less the Kerb Mass. Kerb Mass is the weight of the complete vehicle including coolant, oil, a 90% full fuel tank, spare wheel and jack, but excluding driver and crew. All Kerb Masses, and therefore Payloads quoted are subject to manufacturing tolerances and are based on the base level model. Any additional equipment added (options or accessories), or the selection of a higher trim level, can result in a higher Kerb Mass and a reduced Payload.

NISSAN LCV 5 YEAR MANUFACTURER WARRANTY

NISSAN now offers a standard 5 Year Pan-European Manufacturer Warranty on its whole LCV range*. This is much more than just a warranty as it includes:

- **5 Year or 100,000 miles bumper-to-bumper protection**
- **5 Year Paintwork Warranty – covering the body paint**
- **5 Year NISSAN Genuine Parts & Accessories Warranty**
- **5 Year Roadside Assistance**
- **12 Year Corrosion Warranty on NV300**
- **Fully transferable**

And with service intervals at 2 years or 25,000 miles on the NV300, you'll not only have 5 years of peace of mind but also low running costs into the bargain.

AT NISSAN, YOU BRING OUT THE BEST IN US.

You spark our imagination. You provoke our ingenuity. You inspire us to change the rules and innovate. And at Nissan, innovation is not just about additions and extensions; it's about crossing the line to reinvent the status quo. It's about developing unexpected solutions to satisfy your wildest and most pragmatic desires. At Nissan, we design vehicles, accessories and services that break the mould - making the practical exciting and the exciting practical to offer you a more exhilarating driving experience everyday.

*5-Year / 100,000 miles (whichever comes first) Manufacturer Warranty for the LCV range with the exception of e-NV200.The Basic Vehicle Warranty for e-NV200, according to 3.1 of the Warranty Booklet and Maintenance Record, is extended to 5 years (from the warranty start date) / 60,000 miles (whichever comes first). Only vehicles registered on or after 1st November2016 are eligible for the Extended Warranty. Body parts and paint excluded during year four and year five. Terms and exclusions apply, for further information please see Extended Warranty Terms and Conditions. Apart from the afore-mentioned, all warranty conditions included in the Warranty Booklet and Maintenance Record remain unchanged. Issuer of this Extended Warranty is Nissan International Insurance Ltd.

CUSTOMER SERVICES

SPECIALISED LCV NETWORK

NISSAN provides a specialised network of LCV dealerships to support your specific commercial vehicle requirements:
- Pan-European coverage
- Dedicated LCV Sales & After Sales staff
- Competitive financing solutions
- Tailor made conversion offers
- Competitive extended warranty offers to go even beyond NISSAN LCV 5 Year Warranty.
- Test drive your choice of vehicle

AFTERSALES SERVICES

If your car breaks down, it's inconvenient. If your van breaks down, it's a serious blow to your business. Even time allowed for servicing is downtime, when your van isn't earning its keep. At Nissan, we understand these hard business facts. So we do the best to ensure that your van stays where it belongs – working for you, on the road.

NISSAN SERVICE CONTRACTS AND EXTENDED WARRANTY

For total peace of mind and budget control, you can subscribe to a Nissan Service Contract which will cover your periodic maintenance and Wear & Tear parts for the mileage and period that suits your business best. This way, you can ensure that your new NV300 is serviced by dedicated Nissan technicians. And for even more peace of mind, you can get an Extended Warranty to cover possible mechanical and electrical breakdown after the end of your new NV300 warranty.

5 YEAR ROADSIDE ASSISTANCE

- Pan-European coverage for breakdowns, accidents, non-warrantable incidents (such as flat tyres, lost keys, wrong fuel...)
- 24/7, 365 days
- Emergency Call Centre
- Prompt roadside assistance

If this is not possible and your vehicle is still immobilised after a few hours, we will make sure you are provided with a courtesy vehicle as soon as possible or if necessary, overnight accommodation and travel to your onward destination or back to your base. We will also recover your immobilised vehicle.

Financial Services Register No. 309794. Registered as a limited company in England and Wales No. 3279177. Registered office: Europa House, Midland Way, Thornbury, Bristol BS35 2JX.

*Contact your local Nissan dealer or see the Nissan website for full Terms & Conditions

FURTHER INFORMATION

Price Protection Plan. Order a new Nissan for delivery no more than 4 weeks in advance and the price you are quoted is the price you pay. This is irrespective of any subsequent price rises between placing your order and delivery of your new vehicle. Nissan Motor (GB) is not liable for price adjustments caused by Government changes in the rate of VAT or by any other applicable legislation or regulation or Vehicle Excise Duty.

Five year/100,000 miles manufacturer's warranty (whichever comes first) - Nissan's comprehensive warranty provides cover for your new Nissan from defects in materials or workmanship. Your vehicle is covered in all European Countries where Authorised Nissan Dealers are located. If your vehicle becomes inoperative due to warrantable defects, a towing service, when necessary, to the Authorised Dealer is covered. If a warrantable defect abroad takes more than six hours to repair, the Touring Assistance Programme will pay for a hotel or rental car to a certain maximum. The paint warranty covers painted body parts (excluding the underbody) for three years regardless of mileage driven. For further details please contact you local Authorised Nissan Dealer.

Nissan e-NV200 offers a 5-year / 60,000 mile warranty (whichever comes first) on all EV dedicated components, including the lithium-ion battery, and a 3-year / 60,000 mile warranty on standard components. The Nissan e-NV200 lithium-ion battery state of health guarantee protects against battery capacity loss (less than 9 bars out of 12) as shown on e-NV200's capacity gauge for a period of 5 years / 60,000 miles. For e-NV200 flex customers, the battery state of health guarantee applies for the duration of the battery lease. Special build conversions may be subject to extended delivery.

The conversions in this price list are from Nissan Motor GB-appointed converters and have warranty terms in line with the Nissan Pan European Warranty. The converter is responsible for all aspects of the conversion.

Nissan European Roadside Assistance is provided for the period of your new vehicle manufacturer warranty. Visit www.nissan-aftersales.co.uk for full details including terms & conditions.
Nissan EV Pan-European Roadside Assistance is provided by AXA for 3 years or 60,000 miles, whichever comes first.

For e-NV200 Van Flex (battery lease) customers, the Nissan EV Pan-European Roadside Assistance will cover you for the duration of your battery lease agreement should your Nissan EV run out of battery charge. For any other repair work, the basic warranty clause still applies.

Benefits and Services are provided by AXA Assistance. AXA Assistance is authorised and regulated by the Financial Conduct Authority (FCA). FCA Register number 439069. AXA Assistance UK Limited (registration 2638890) 106 - 118 Station Road, Redhill Surrey RH1 1PR

Recyclability - we take our environmental responsibilities very seriously - innovation today comes with a deep respect for the environment. Our engines are now much more unobtrusive and their emissions have been considerably reduced. All our vehicles are designed with recycling in mind. All prices in this list are quoted in pounds sterling. Value Added Tax (VAT) has been calculated at 20%.

Pricing - All prices are subject to change, please see your nearest dealership for the most up to date prices. While all reasonable effort has been made to ensure the accuracy of the information provided, due to Nissan's policy of continuous product improvement, all particulars contained are subject to constant revision and Nissan reserves the right to change, alter or modify among other things, specifications, colours and prices of models without notice at any time. Accordingly you should consult your local Nissan Dealer for the exact introduction dates of all models and for the most up-to-date information.

Fleet Customers Special colours and out-of-line-up specifications are available, please check details with fleet managers (regional DFM, CSM or LCV sales managers); Fleet only versions regardless listed in Dealer Master Price List or not, are to be ordered by Dealer Support via regional DFM, CSM or LCV sales managers

VAT and VED VAT application is based on current HMRC guidelines, please check with HMRC for specific guidance for the vehicle you are purchasing.
VED is determined by the DVLA, please check with the DVLA for specific guidance for the vehicle you are purchasing.

YOU +
