N1 = Homologated for goods transport

\*with passenger seat folded

\*\*Maximum payload figures includes driver and is subject to change dependant on variances in features, options and trim levels.

\* Figures shown are for comparability purposes; only compare fuel consumption and CO<sub>2</sub> figures with other cars tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted (post-registration), variations in weather, driving styles and vehicle load.
